Unit description

As the Professional and Community Engagement (PACE) unit for the Department of Security Studies and Criminology, PICT3020 partners students with organisations drawn from government, industry, and civil society. Teams of students will work on projects designed both to contribute to the mission of their partner organisation and to give students the opportunity to apply the insights they have developed over the course of their program to a practical problem in their field. Mentors from the partner organisations will provide guidance to the student teams during the unit. Alongside their PACE project work, students will undertake some complementary career development exercises and consider what it means to think and act ethically in their chosen careers. To apply for PICT3020 in Session 2, students must meet specific prerequisites to enroll (see pre-requisite section below). Students are responsible for ensuring these requirements are met prior to course registration.

Late Assessment Penalty

Late Assessment Submission Penalty Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of ‘0’ (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue. This late penalty will apply to written reports and recordings only. Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs will be addressed by the unit convenor in a Special consideration application.

WORD LIMITS FOR ASSESSMENT TASKS

• Stated word limits include footnotes and footnoted references, but not bibliography, or title page.
• Word limits can generally deviate by 10% either over or under the stated figure.
• If the number of words exceeds the limit by more than 10%, then penalties will apply. These penalties are 5% of the awarded mark for every 100 words over the word limit. If a paper is 300 words over, for instance, it will lose 3 x 5% = 15% of the total mark awarded for the assignment. This percentage is taken off the total mark, i.e. if a paper was graded at a credit (65%) and was 300 words over, it would be reduced by 15 marks to a pass (50%).
• The application of this penalty is at the discretion of the course convener.

REASSESSMENT OF ASSIGNMENTS DURING THE SEMESTER

• Macquarie University operates a Grade Appeal Policy in cases where students feel their
work was graded inappropriately: http://www.mq.edu.au/policy/docs/gradeappeal/policy.html
