Unit description
This unit provides the opportunity to view and participate in clinical case presentations. Cases are presented from students who have seen patients while on placement. In addition, students are instructed in relation to professional and ethical issues. It supplements courses in which theoretical information is taught. It provides students exposure to case material, case formulation, professional issues and ethical matters.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates
