Delivery and Resources

This unit which will make use of the University's iLearn system.

Unit iLearn Site:

• Found by logging on to iLearn ilearn.mq.edu.au, then clicking on Resources, Property and Infrastructure.

• Here you will find forums, downloadable resources and links to important pages.

• The forum allows you to communicate with other students and lecturer(s) and may provide supplementary material.

• You are requested to post your questions on the forums at least 24 hours prior to the assignment submission date or the examination date. Questions posted after that time may not be answered. Please try to not leave your questions to the last few days.

Important Notice:

• It is important that you familiarise yourself with the unit’s iLearn site.

• All students should check iLearn regularly and look for updates and distribution of materials related to the unit or assessments and participate in forum discussions.

Assumed access to technology: Access to a computer with word processing and spreadsheet capability is assumed, as is general student computer literacy. A recent version of Excel is the preferred choice of spreadsheet.
