| Unit description | This unit aims to help students develop their knowledge of Ancient Greek language. It is designed for students who have already studied one semester of Ancient Greek. The unit completes the systematic introduction to the grammar and vocabulary of Ancient Greek. The unit aims to help students build skills in reading original Ancient Greek literary and documentary texts, such as inscriptions, and understand the significance of Ancient Greek in the study of relevant ancient cultures. |

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes

General Assessment Information

How to submit your work: Written work must be submitted through Turnitin in the iLearn website for the unit.

Extensions: Please submit your work on time. If you want an extension you must apply for special consideration (https://students.mq.edu.au/study/my-study-program/specialconsideration).

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 5 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests.

Results: Grading decisions for each assessment task will be moderated against the set criteria and standards before task results are released. Once approved, final results will be sent to your student email address and will be made available in eStudent.
