Unit description
This unit aims to further develop students' ability to communicate in Chinese through the study of language structure, language functions and cultural knowledge. More complex grammatical constructions will be introduced. Through the unit, students will also gain a greater understanding of various Chinese language and culture and have chances to compare the culture similarities and differences and between China and Australia. This unit is working towards HSK level 2. The classes and online resources are offered in an interactive way to provide feedback for students to learn Chinese on/off campus.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

General Assessment Information

Late Assessment Submission Penalty

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of ‘0’ (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.

This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.

Delivery and Resources
TECHNOLOGY USED AND REQUIRED

Online Unit
Login is via: https://ilearn.mq.edu.au/

Is my unit in iLearn?: https://unitguides.mq.edu.au/ilearn_unit_status/ to check when your online unit will become available.

Technology
Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus we strongly encourage that you bring along your own laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required. If applicable, students are required to download the relevant language package prior to Week 2.

Please contact your course convenor before the end of Week 1 if you do not have a suitable laptop (or tablet) for in-class use.
