General Assessment Information

‘Please note that the University and the Faculty of Arts have launched a new assessment policy effective as of 1 July 2021. This new policy particularly affects LATE SUBMISSION OF ASSESSMENTS.

The Faculty policy in relation to late assessment submissions is as follows:

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests, etc.

To be very clear:

- Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 10 marks will be deducted. For example, if you submit your assignment 7 days late, 70 marks will be deducted, which means you will fail that assignment.
- If your assignment is more than 7 days late (including weekends), you will get 0 marks for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration

through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply: <https://students.mq.edu.au/study/assessment-exams/special-consideration>

Delivery and Resources

DELIVERY

Weekday in Person Attendance and Online-scheduled Modes

Students attend 2 x 2 hour classes per week. Please go to eStudent to register in one practical and one tutorial each week.

Classes start at five minutes past the hour. We recommend that you arrive 5 minutes before the start of class so you do not miss out on important information given at the start of a class. We encourage students to come to as many classes as possible to facilitate the best learning experience possible.

Online Flexible Modes

Students do not need to register in any particular classes and just need to make sure to be enrolled in FREN1010 on eStudent. The only timetabled activities will involve the attendance of a live **video-conferencing** speaking test to be held in week 13 at specific times allocated by the convenor.

Students will need to have access to a **webcam for the test**, headphones as well as a microphone for use during the video-conferencing sessions with **Zoom** which they will need to download for free from the internet. We recommend you use **Firefox** which has been reliable with respect to media files used in the course. The correct functioning of internet connection and network is the student's sole responsibility.

All Students

The course is of a very intensive nature. FREN1010 aims to prepare students for FREN1020 in session 2, involving approximately 8 hours of weekly home study, consisting of written, oral and aural practice using the CDs that accompany the textbook and exercise books for week 1 classes.

IT and iLearn assistance is available via the iLearn login page or by clicking on the words "Help

me" under the iLearn logo at the top right hand side of every iLearn window.

Please note that replies to emails will be automatically directed to your student account. Please check this account regularly for announcements from the convenor and emails from your tutor.

RESOURCES

All new students will need to purchase the textbook before week 1 session 1:

Défi 1/A1 Livre de l'élève + CD Audio; Chahi et al. ISBN: 9788416273065

Défi 1/A1 Cahier d'exercices + MP3 download; Chahi et al. ISBN: 9788417249656

These can be bought online through www.languageint.com.au. Please use the code **MAC-KUR** to receive free shipping. Not having the textbook is not a reason to miss the first test. Buy either a digital or hardcopy of the books. With the digital book we recommend Premium to access online activities.

The online resources on iLearn (<http://ilearn.mq.edu.au>) are another essential part of the unit. Students have access to all materials (including recorded iLectures on Echo360) from the beginning to the end of the session.

Please refer to iLearn for announcements, and possible amendments to the program as this is how the convenor will communicate with you throughout the session.

TECHNOLOGY USED AND REQUIRED

Login is via: <https://ilearn.mq.edu.au/>

Is my unit in iLearn?: https://unitguides.mq.edu.au/ilearn_unit_status/ to check when your online unit will become available.

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus we strongly encourage that you bring along your own laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required.

Please contact your course convenor **before** the end of **Week 1** if you do not have a suitable laptop (or tablet) for in-class use.
