Delivery and Resources

Each week, there will be one live lecture and one recorded lecture, both of which will be available on Echo. The lectures will take place **Week 1 to Week 12**. The schedule of topics to be covered in the lectures, and notes on required readings, will be available in detail on iLearn. A list of covered topics is provided below in the Unit Schedule.

Weekly one hour tutorials begin in **Week 2 and finish in Week 13**. Discussion questions for each tutorial will be available on the iLearn page for the unit.

There are two required texts for this unit:

Robin Creyke, John McMillan, Mark Smyth, *Control of Government Action: Text, Cases and Commentary* (LexisNexis Butterworths, 2022, 6th ed); and

Doron Goldbarsht and Nathan Johnston, *Fundamentals of Australian Administrative Law Questions and Answers* (LexisNexis Butterworths, 2022) - this is a companion to the Creyke et al text, working as a quick search resource with short questions and answers about foundational principles, terms, and legal authorities. It then directs students to where they can find the more detailed explanation in the Creyke et al text.

Additional readings will be available via iLearn or else they will be linked to a publicly available source.

Students require access to a computer and a secure and reliable internet provider.
