Unit description
This unit will introduce students to core financial and legal aspects of selecting, forming, structuring and running a business. Students will develop an understanding of relevant legal concepts and principles underpinning the regulation of business including corporate management responsibilities. By exposure to key aspects of financial planning, budgeting and capital raising students will be able to make commercially sound choices in relation to starting a business and comparing business structures. At the conclusion of the unit students will have gained a valuable perspective on commencing and running business operations and will have developed an understanding of the planning and financing of a business venture.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:
ULO1: Identify key aspects of the commercial legal environment and the Australian corporate legislative framework and distinguish the legal characteristics of differing business organisations.

ULO2: Recognise features of corporate functionality and management issues, including the role and obligations of directors and insolvency regulation.

ULO3: Apply investment and financing concepts to business decisions and critically evaluate financial viability including an exploration of financial models, forecasting capital expenditures, working capital needs and financing events.

ULO4: Analyse sources of funding and financing needs.

**General Assessment Information**

**Late submission**

Late assessment must also be submitted through Turnitin. No extensions will be granted. There will be a deduction of 10% of the total available marks made from the total awarded mark for each 24 hour period or part thereof that the submission is late (for example, 25 hours late in submission incurs a 20% penalty). This penalty does not apply for cases in which an application for Special Consideration is made and approved. Note: applications for Special Consideration Policy must be made within 5 (five) business days of the due date and time.
