## General Assessment Information

### Late Assessment Penalty

'Please note that the University and the Faculty of Arts have launched a new assessment policy effective as of 1 July 2021. This new policy particularly affects LATE SUBMISSION OF ASSESSMENTS.

The Faculty policy in relation to late assessment submissions is as follows:

**Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 10 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. No late submissions will be accepted for timed assessments – e.g. quizzes, online tests, etc.**

To be very clear:

- Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 10 marks will be deducted. For example, if you submit your assignment 7 days late, 70 marks will be deducted, which means you will fail that assignment.
- If your assignment is more than 7 days late (including weekends), you will get 0 marks for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply: <https://students.mq.edu.au/study/assessment-exams/special-consideration>

## Common European Framework of Reference (CEFR)

This unit provides advanced learners with the opportunity to work towards language skills at level A1, the first level on the six-level scale of competence laid down in the Common European Framework of Reference for Languages (CEFR). Through engagement with the Croatian language in a range of contexts, the unit invites you to develop the ability to

- understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type,
- introduce themselves and others and ask and answer questions about personal details such as where you live, people you know and things you have
- interact in a simple way provided the other person talks slowly and clearly and is prepared to help.
