Unit description

This unit develops financial literacy, enabling students to understand what is needed to achieve a lifestyle that is financially sustainable, ethical and responsible. On completion of the unit, students will be able to set financial goals, establish a working budget, understand and distinguish between different investment instruments, and have the knowledge and skills to make informed and effective personal financial decisions.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Explain the role of financial goals and develop personal financial goals.

ULO2: Assess, compare and evaluate common investment instruments.

ULO3: Acquire knowledge and skills to make informed and effective personal financial decisions.

General Assessment Information

Late submissions of assessments

Unless a Special Consideration request has been submitted and approved, no extensions will be granted. There will be a deduction of 10% of the total available assessment-task marks made from the total awarded mark for each 24-hour period or part thereof that the submission is late. Late submissions will only be accepted up to 96 hours after the due date and time.

No late submissions will be accepted for timed assessments – e.g., quizzes, online tests.

Table 1: Penalty calculation based on submission time

Submission time after the due date (including weekends)	Penalty (% of available assessment task mark)	Example: for a non-timed assessment task marked out of 30
< 24 hours	10%	10% x 30 marks = 3-mark deduction
24-48 hours	20%	20% x 30 marks = 6-mark deduction
48-72 hours	30%	30% x 30 marks = 9-mark deduction
72-96 hours	40%	40% x 30 marks = 12-mark deduction
> 96 hours	100%	Assignment won't be accepted

Other assessment criteria for assessment tasks will be provided on the unit iLearn site.

- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

This unit is delivered entirely online. There are no face to face classes or lectures. All assessment is undertaken online.

You study at your own pace. There are regular assessment deliverables (each with prescribed dates and times) and these must be taken into account when preparing a study plan.

The unit has extensive materials available on iLearn including pre recorded videos, topic overviews and topic presentations.

It is important that you have access to reliable internet.

Unit Schedule
