Unit description

This unit is aimed at students interested in pursuing careers in the field of health economics, health policy or health technology assessment, or students interested in understanding the economics of health and health policy. The unit will introduce students to economic tools and their application relevant to the understanding of the economics of health and health care. Adopting a microeconomic approach, the unit will cover economic and statistical concepts and techniques relevant to the understanding of health economics. Topics covered will include supply and demand for health, information and insurance markets, key players in the health care sector, social insurance, the economics of health innovation (pharmaceuticals, technology and health technology assessment), health policy, health systems around the world, the economics and policy of bads (smoking, alcohol), public health economics, behavioural health economics, health and economic development and the case of Aboriginal health.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Evaluate the importance of health economics and its relevance to health systems.

ULO2: Evaluate health as a unique economic good and the role of market players, market imperfections and the government.

ULO3: Apply theoretical knowledge of applied microeconomics to health economics.

ULO4: Critically analyse the role of health economics in the design of health policy across the world.

ULO5: Effectively communicate theories and knowledge of health economics in technical and non-technical language.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).

Assessment Tasks
