Unit description

This unit is designed to help students integrate, synthesise, and practically apply the knowledge and skills gained over the course of their Master of Management studies. Students will research and apply established theories to develop a proposed solution to a selected business issue, in the context of a real-world organisation.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Identify and apply theoretical frameworks, tools and techniques acquired throughout the core units relevant to a project in order to support strategic options and recommendations.

ULO2: Apply problem-solving skills, both as an individual and as part of a team, to communicate solutions.

ULO3: Reflect and report on the knowledge gained throughout the project both in terms

of technical skills and broader capabilities.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.
