Unit description

This unit provides extended formal academic support for students concurrently enrolled in the Financial Reporting unit of the CPA program. It is designed to provide students with an advanced knowledge of selected financial reporting and accounting standards, financial reporting requirements, technical accounting expertise, and business skills and values that are applicable in a professional and global environment. At the completion of this unit, students will have a detailed understanding of advanced concepts in financial analysis and disclosure in relation to key business concepts and transactions and be able to apply this knowledge to the preparation of general-purpose financial statements. Students will also be able to communicate financial accounting issues that may arise in the preparation of general-purpose financial statements including those from a theoretical perspective.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Apply relevant accounting standards to key business transactions and events and prepare the complete set of financial statements.

ULO2: Critically analyse and evaluate accounting issues and problems that may arise by applying the contents of specific accounting standards and the conceptual framework.

ULO3: Research and professionally communicate the issues that need to be addressed in the preparation of general-purpose financial statements.

ULO4: Examine and interpret current issues in financial accounting and able to apply this analysis to general business skills.

General Assessment Information

General Assessment

Late Assessment Submission Penalty

Unless an application for Special Consideration has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests, exams, performance assessments, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration

1. Class Quizzes

Due: **Various** Weighting: **20%**

Online Quizzes (20%)

Assessed coursework tasks will be held online as detailed below. Each assessed coursework task will be marked out of 10 and will consist of 10 multiple choice questions (each worth one mark). Each quiz is worth 5%.

Topics to be covered are as follows:

- Task #1 (Friday 5 August) Modules 1 & 4 of CPA segment materials
- Task #2 (Friday 19 August) Modules 5 & 6 of CPA segment materials
- Task #3 (Friday 9 September) Modules 2 & 3 of CPA segment materials
- Task #4 (Friday 16 September) Module 7 of CPA segment materials

Submission:

Each multiple choice question will be marked on the basis of a correct response being worth one mark and an incorrect response or a blank response being worth zero. There are no negative

marks for incorrect answers.

Extension

No extension will be granted. There is no supplementary coursework task if you are absent.

Quizzes will not be returned to students.

2. Class Participation

Due: **Various** Weighting: **20%**

In class participation and attendance accounts for 20% of your final grade. Merely attending does not guarantee a pass mark in this component. Attendance will be taken.

Activities will also be created and assessed as part of class participation including creation of study plans, Peerwise and completion of CPA online learning. See ilearn for details.

3. Mid Semester Test

Due: **Week Beginning Monday 19 September (Time and date to be confirmed)** Weighting: **30%**

The 3-hour 15 mins class test will be conducted as an online exam, Once confirmed, the date and time will be advised. You will be given adequate advance notice in classes and on iLearn, prior to the exam, regarding the **actual** date and time.

The class test has been designed to mirror the format of the CPA Australia Financial Reporting exam as closely as possible. The class test will be marked out of 60 and will consist of 42 multiple choice questions (each worth 1 mark) and also short answer style (total of 18 marks). The examination will cover Modules 1 to 7. The class test will be an open book test, conducted under similar conditions as the CPA Australia final exam.

Submission

Each multiple-choice question will be marked on the basis of a correct response being worth one mark and an incorrect response or a blank response being worth zero. There are no negative marks for incorrect answers. The written answers will be marked on the basis of a marking "grid" to be prepared in relation to the problems (yet to be written).

The class test itself involves 3 hours and 15 minutes of student time. Study for the class test is based on all weeks of learning and appropriate levels of study. In total, preparation time can be considered to involve 60 hours of work.

You must attempt the class test at the designated time.

Extension

No extension will be granted. There is no supplementary test if you are absent.

4. Final Examination

Due: **Tuesday 27 September to Sunday 16 October 2022**

Weighting: **30%**

The CPA Examination period is scheduled by CPA Australia. CPA Australia has advised that the examination is a three hour 15 minutes open book examination consisting of multiple-choice questions worth approximately 65% of the marks and written responses worth the remaining approximately 35%. In previous offerings of this segment by CPA Australia the examination has been marked out of a total of 60 marks, with 42 marks being allocated to multiple choice questions and the other 18 marks being allocated to written questions.

Submission

As prescribed by CPA Australia under its formal examination rules, CPA candidates are required to complete of a Multiple-Choice Response Sheet relating to a range of Multiple Choice Questions and also complete written answers to questions relating to problem provided in the exam.

Students are advised that the CPA examination is conducted by CPA Australia and in accordance with their rules and regulations. It is the responsibility of students to be aware of the rules and requirements of CPA Australia, as well as the venue and time for the examination.

As a student enrolled in the CPA Program YOU are responsible for ensuring that you are in possession of the latest CPA Australia information. The CPA Australia website with exam information is at <http://www.cpaustralia.com.au/cpa-program/professional-level/exams>. Please note that ANY AND ALL QUERIES regarding the CPA Australia exams and choices must be made by you to CPA Australia.

The exam itself involves 3.25 hours of student time. Study for the exam is based on 10 full weeks of learning and appropriate levels of study. In total, preparation time can be considered to involve 150 hours of work (including all learning and study undertaken to date).

As outlined above, this assessment task will be conducted as prescribed by CPA Australia under its formal examination rules. These are stated to all CPA Australia candidates and to Macquarie University in a general form that is common to all CPA Australia professional program examination candidates wherever they may be sitting exams from. CPA Australia advises that the CPA Australia Exam examines all parts of the CPA Australia Study Guide (and other content clearly advised by CPA Australia – including International Financial Reporting Standards as advised by CPA Australia). Accordingly, this assessment task evaluates each student's ability to demonstrate an understanding and/or application of the values and issues that arise from Modules 1 to 7.

The marking standards are as applied by CPA Australia under its formal examination rules. CPA Australia awards grades of Fail, Pass, Credit, Distinction and High Distinction. CPA Australia advises that a mark lower than 60% is a Fail Grade

Extension

In the event that you do not attend the CPA Australia examination you will be subject to the rules

applicable to CPA Australia candidature. These rules are those of CPA Australia and students should consult directly with CPA Australia.

Penalties

Non-attendance at the CPA Australia examination will result in a mark of zero unless rules applicable to CPA Australia candidature may provide an alternative outcome. These rules are those of CPA Australia and students should consult directly with CPA Australia.

- Course material is available on the learning management system (iLearn)
- The web page for this unit can be found at: <http://ilearn.mq.edu.au>

Learning and Teaching Activities

Each class will meet weekly for a 3 hour lecture during the session. All scheduled classes are compulsory. In between classes, students are required to work through the relevant module(s) in the CPA program, CPA115 segment module, as well as work on assessment tasks.

Students are expected to fully study the course material and recommended readings of each CPA Module. You are encouraged to properly construct your own notes based on your reading, any additional comments, and supplements.

Each class will consist of an overview and discussion of the main content, concepts and issues from the relevant CPA Australia Module topics. In addition, other activities will take place that seek to enhance and enrich understanding of the content, the readings and any accounting standards related to each module. This will include working through questions in the CPA material and discussing articles or actual financial statements that help demonstrate the topic more fully.

Students will be provided with materials related to the topic by the lecturer (which will be placed on iLearn), however it is important to understand that these are only intended to be used as an overview and guide.

Technology Used and Required

Students will need access to Microsoft Excel, Word and Powerpoint to enable completion of various assessment tasks throughout the session.

In addition students will require access to the internet, including specifically access to iLearn.
