Unit description

The aim of this unit is to discuss, apply and evaluate the concepts, principles and practices underpinning the preparation and interpretation of corporate reports. It looks into the assessment of managements' stewardship and ethics and considers the needs of the wider group of stakeholders. The content examines the financial reporting framework within which accountants operate. The detailed financial reporting requirements for entities are examined, leading to the preparation of group financial reports in accordance with International Financial Reporting Standards. The unit deals with the nature of reporting for specialised entities including small to medium sized enterprises. The unit explores and demonstrates the role of the accountant as both a financial analyst and an adviser, through assessment of the financial performance and position of reporting entities. The accountant's role is examined, in assessing and advising on the implications of accounting regulations on financial reporting.

General Assessment Information

Late submissions of assessments Unless a Special Consideration request has been submitted and approved, no extensions will be granted. There will be a deduction of 10% of the total available assessment-task marks made from the total awarded mark for each 24-hour period or part thereof that the submission is late. Late submissions will only be accepted up to 96 hours after the due date and time.

No late submissions will be accepted for timed assessments – e.g., quizzes, online tests.

Submission time after the due date (including weekends)	Penalty (% of available assessment task mark)	Example: for a non-timed assessment task marked out of 30
< 24 hours	10%	10% x 30 marks = 3 mark deduction
24-48 hours	20%	20% x 30 marks = 6 mark deduction
48-72 hours	30%	30% x 30 marks = 9 mark deduction
72-96 hours	40%	40% x 30 marks = 12 mark deduction
> 96 hours	100%	Assignment won't be accepted

Special Consideration

To request an extension on the due date/time for a timed or non-timed assessment task, you must submit a Special Consideration application. An application for Special Consideration does not guarantee approval.

The approved extension date for a student becomes the new due date for that student. The late submission penalties above then apply as of the new due date.
