Unit description

This unit provides extended formal academic support to students concurrently enrolled in the Ethics and Governance unit of the CPA program. This unit deals with core professional capabilities that must be possessed by all accountants. It explores and analyses the roles and functions of the accounting profession and its impact on and interface with society at large. It considers in detail a wide variety of issues including general theories of ethics and also the nature and application of the mandatory accounting professional ethical framework. The unit explores a range of governance issues that must be understood by accountants, including corporate social responsibility, corporate law and competition and consumer law. 'Corporate social responsibility' aspects are wide-ranging and include environmental and social reporting and intergenerational concerns. Students' skills are extended with a focus on both developing practical problem solving capabilities and effective communication in complex managerial and related circumstances.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Explain the accounting profession in general and the varied roles of professional accountants including in relation to strategic, leadership and global issues driving accountants and the accounting profession

**ULO2:** Analyse governance and regulatory frameworks affecting entities and the local and global perspectives of stakeholders in relation to these frameworks

**ULO3:** Interpret the nature, role and vital importance of corporate social responsibility and sustainable development

**ULO4:** Apply and communicate professional responsibilities of an accountant from multiple perspectives involving complex ethical, governance and judgment matter operating in a global context.

## General Assessment Information

To be eligible to pass the unit it is necessary to:

Gain the necessary knowledge by preparing fully and attending classes regularly and attempting **ALL** assessment components.

**Obtain at least a PASS assessment in the CPA external examination.** Note that if you do NOT pass the CPA Australia Ethics and Governance Exam then you cannot attain a pass in this Unit in this Session.

**Obtain at least a PASS assessment for the 70% comprising Macquarie University assessment.**

If a student passes the MQ component but fails the external CPA exam, an Incomplete grade (UL) will be given. The student must re enrol in the failed subject with CPA Australia in the following session. If the student does not sit for the CPA exam in the following session, the UL grade will change to a F grade.

If a student deferred the CPA Exam in the session enrolled with MQ, the student must inform the MQBS Student Services by submitting an AskMQ inquiry so the grade can remain as UL for a session. The student will need to sit for the CPA exam in the following session and based on the CPA exam result, the grade will be finalised.

If a student has failed the same external CPA exam twice, the MQ Incomplete grade will be changed to a Fail grade, and the student will need to re enrol with MQ and CPA Australia in the following session.

The UL grade will only be kept for one session.

**Late submissions of assessments:** Unless a Special Consideration request has been submitted and approved, no extensions will be granted. There will be a deduction of 10% of the

total available assessment-task marks made from the total awarded mark for each 24-hour period or part thereof that the submission is late. Late submissions will only be accepted up to 96 hours after the due date and time. No late submissions will be accepted for timed assessments – e.g., quizzes, online tests.

Submission time after the due date (including weekends)	Penalty (% of available assessment task mark)	Example: for a non-timed assessment task marked out of 30
< 24 hours	10%	10% x 30 marks = 3 mark deduction
24-48 hours	20%	20% x 30 marks = 6 mark deduction
48-72 hours	30%	30% x 30 marks = 9 mark deduction
72-96 hours	40%	40% x 30 marks = 12 mark deduction
> 96 hours	100%	Assignment won't be accepted

**Special Consideration** To request an extension on the due date/time for a timed or non-timed assessment task, you must submit a Special Consideration application. An application for Special Consideration does not guarantee approval. The approved extension date for a student becomes the new due date for that student. The late submission penalties above then apply as of the new due date

## Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Class test 1</u>	20%	No	Week 4 - Thursday 11th August
<u>In Class Test 2</u>	35%	No	Week commencing 12 September 2022

<sup>1</sup> If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

<sup>2</sup> Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

## Delivery and Resources

**Required Texts/Materials** CPA Program: Ethics and Governance Study Guide, 3rd Edition CPA Australia. The CPA Australia Study Guide is provided to you by CPA Australia. You may also find a full software version on the CPA MyOnline Learning website. APES 110 Code of Ethics for Professional Accountants (including independence standards) (APES 2018), available online at <http://www.apesb.org.au> CPA Australia Members Handbook, available online at <http://www.cpaaustralia.com.au>

The CPA Australia 'Ethics & Governance Study Guide' provides a comprehensive reference list at the end of each module containing all references cited by the authors. These CPA Australia references will assist you in undertaking further study and they will be very valuable for research generally. Additional materials and references will be made available or advised in iLearn.

**Unit Web Page** Course information is available on (iLearn). iLearn access is at <http://www.learn.mq.edu.au> Advice for iLearn including login advice and relevant support is all available at the

iLearn site. The student web page for this unit is located on iLearn. This includes course material, announcements and results. Each week on iLearn you will find Class Guidance Notes and/or In-Class Discussion Questions. You will also find relevant reference materials and addresses for reference materials.

### **Technology Used And Required**

The principal technology used in this unit comprises web based access to resource materials (see above) and the learning management system called 'iLearn'. Regular access to iLearn is strongly encouraged so that you have access to:

- Resources developed for each class
- Additional recommended reading and research resources
- Additional information regarding assessment items that may be required
- Any new information that may arise in relation to contingencies – including in relation to any changes in dates, timetables or class details
- iLearn communication and discussion tools as an effective means to enhance learning for all students and staff. **Please note that YOUR OWN University email address must be used for both receiving and sending university emails.**

**Classes** Times and Locations will be advised on iLearn - you will attend one three hour class each week

To complete the unit successfully, you should attend one three hour class per week. **Please attend only the class in which you are formally enrolled.** If you unavoidably miss a class in any week you may change class that week by emailing your lecturer and the unit convenor. As participation is assessed in each class you should advise the lecturer of your attendance so that it may be recorded and participation assessed for that class accordingly.

Please refer to the class diary at the end of this unit guide for detailed weekly class content. The University web site shows timetables: <http://www.timetables.mq.edu.au/>

### **Preparation for classes**

It is essential that you prepare for each class by reading all materials and references carefully. This will include carefully working through the relevant CPA module, noting any issues which you might like to discuss in class and, of course, contributing to in-class discussions and overall 'group learning'. **In addition to your CPA Study Guide Modules, you may download additional relevant class materials required each week from iLearn – login at <https://ilearn.mq.edu.au/login/MQ/>.** These class materials will be placed on iLearn prior to class time. It is your responsibility to ensure that you access and have copies of relevant material prior to classes. You should allow time for thorough reading of all materials before each class.

### **Learning and Teaching Activities**

Each 3 hour class will consist of a combination of activities including seminar presentations by the lecturer and student presentations and discussions which will review key concepts. You are

encouraged to engage in class discussion relating to questions posed, case studies and their analysis, current events/issues and practical, problem solving exercises.

A revision class will be held prior to the external CPA Program exam and will include analysis, questions and cases designed to explore the entire course.

The material to be covered each week is identified in this Unit Guide.
