Unit description

This unit focuses on the generation of information for internal decision making and examines how cost information is developed and used within organisations. A number of different costing and budgeting techniques are explained, and students are required to apply these techniques to case study scenarios. By the end of this unit, students will have developed a sophisticated level of understanding of which techniques are most appropriate in a particular situation. Students will also have developed their excel, problem-solving, communication and presentation skills.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Apply management accounting concepts to assess and solve real-life case

scenarios.

ULO2: Critically analyse data to determine the relevant information and costing techniques required to make decisions.

ULO3: Apply effective written and oral communication skills.

ULO4: Apply Excel spreadsheet functions to complete managerial accounting tasks.

ULO5: Explain the organisational environment in which a business operates including the design, structure and strategy aspects.

General Assessment Information

Late Assessment Submission Penalty

Unless an application for [Special Consideration](#) has been submitted and approved, a **5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted**, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests, exams, performance assessments, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).

Assessment Tasks
