Unit description

This unit equips students to understand corporate governance and organisation, corporate financial reporting and corporate finance decision-making. It provides a basic understanding of financial reporting and how to interpret financial statements, and integrates this with corporate financial decisions such as raising finance, determining capital structure including liquidity, paying dividends, and assessing capital investments, in the context of the Australian financial sector. Students will also understand and apply basic theoretical concepts in finance. Students gaining a Credit in this unit will satisfy the requirements for exemption from professional subject CB1 of the Actuaries Institute.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Describe the process of financial reporting and interpret financial reports.

ULO2: Examine key financial concepts and interpret how these concepts are illustrated in corporate financial practice.

ULO3: Evaluate and critique issues in finance and financial reporting.

ULO4: Apply finance and financial reporting knowledge in a group project to solve a practical problem.

ULO5: Examine and identify issues of financial reporting in corporate practice.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).
