Credit points 10
Prerequisites Admission to GradCertFin (OUA)
Corequisites
Co-badged status
Unit description This unit provides students with the key building blocks of finance within a single unifying conceptual framework. Students will be introduced to three of the key ideas in finance: the analysis of trade-offs over time, asset valuation and risk management. These concepts will then be applied to the following sub-fields of finance: corporate finance, investments, and financial markets and institutions.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Explain the role of financial institutions and markets in the economy and evaluate their effectiveness in allocating resources over time and transferring risk.

ULO2: Explain and demonstrate how time value of money concepts and discounted cash flow techniques are used in the analysis of financial decisions of individuals and firms.

ULO3: Explain and assess the key theories, concepts and models used in asset valuation, risk management, and portfolio theory.

ULO4: Apply key theories, concepts and models to develop solutions to problems in asset valuation, risk management, and portfolio theory.

ULO5: Explain and assess the key theories and concepts used in the analysis of a firm's

financing decision.

General Assessment Information

Late Assessment Submission Penalty (written assessments) Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.
