General Assessment Information

Late Assessment Submission Penalty

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of '0' (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.

This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.

IMPORTANT NOTE ON FINAL MARKS: Grading decisions for each assessment task will be moderated against the set criteria and standards before task results are released. 3) Do not plagiarise: plagiarism will not be tolerated; see 'MQ Academic Honesty': http://www.mq.edu.au/policy/docs/academic_honesty/policy.html

Assessment 1: Participation Weighting 20%

Three (3) Participation Exercises. In this assessment task your participation is tested, not your accuracy, in translating an excerpt from a weekly reading that has been covered in class. You are asked to explain your translation of four lexical or grammatical or syntactic features of each excerpt. The excerpt will be released on Friday the week before the assessment is due. A serious attempt will earn full marks. Please submit your answers in PDF via Turn-it-in in Weeks 4, 8 and 12. There is no word count for this assessment.

Assessment 2: Prose Compositions Weighting 40%

Four (4) Prose Compositions. In this assessment task your control and accuracy are tested in translations from English to Latin. Each of the four proses is worth 10 raw marks. See the Rubric for Prose compositions under "Resources".

Assessment 3: Comprehension Tests Weighting 40%

Two (2) Comprehension Tests. In this assessment task, your control over details of Latin usage in the unit readings is tested. Each of the two comprehension tests is worth 20 raw marks. There will be five extracts from the readings in each test and you will normally be asked to 'explain the meaning, form, and function' of two words/expressions in each extract. Each of your explanations is worth two (2) raw marks, one (1) mark for meaning and form and one (1) mark for function. In other words half the marks in these comprehension tests are awarded on the basis of your understanding of function (i.e. of how a word or expression is being used in its context; note that giving a translation of the context in which the word appears is not sufficient to indicate your understanding of function, though it may form part of your response).
