This is an introductory unit intended for students with no previous knowledge of Chinese, spoken or written. This unit aims to help students acquire Chinese characters and the basic grammatical elements. Students develop their skills in all four aspects of speaking, writing, listening and reading, as well as their understanding of contemporary Chinese culture. The classes and online resources are offered in an interactive way to provide feedback for students to learn Chinese on/off campus.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at [https://www.mq.edu.au/study/calendar-of-dates](https://www.mq.edu.au/study/calendar-of-dates)

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1**: Develop elementary level skills in reading, writing, listening and speaking in the
Chinese language.

**ULO3**: Identify, evaluate and deploy the grammatical structures of Chinese at elementary level.

**ULO4**: Apply relevant language conventions to create meaningful intercultural encounters.

**ULO2**: Identify, describe and evaluate a few aspects of Chinese-speaking cultures and societies.

**ULO5**: Demonstrate an awareness of some language and language use in both Chinese and English.

**ULO6**: Hand-write Chinese characters in the correct order, and type characters in computer as required.

### General Assessment Information

**Late Assessment Submission Penalty**

*Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of 0 (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.*

*This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.*

Technology

Students are required to have regular access to a computer and the internet. Mobile devices alone are not sufficient.

For students attending classes on campus we strongly encourage that you bring along your own laptop computer, ready to work with activities in your online unit. The preferred operating system is Windows 10.

Students are required to access the online unit in iLearn by the end of Week 1 and follow any relevant instructions and links for downloads that may be required. If applicable, students are required to download the relevant language package prior to Week 2.

Please contact your course convenor before the end of Week 1 if you do not have a suitable laptop (or tablet) for in-class use.
