Unit description
This is the second of two practical units in which students attend Macquarie University's Chiropractic and Research Centres as chiropractic interns. In this unit, students become responsible for patient management and care under the guidance of the clinic supervisors.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Take a chiropractic clinical history, perform the relevant physical examination, order any necessary radiographs, refer for any other necessary evaluation in order to provisionally diagnose the patient's condition and carry out safe and effective chiropractic management of a patient (as taught by the Department) within the allocated time.

ULO2: Educate patients in the aims and objectives of the proposed care including a rehabilitation program.

ULO3: Demonstrate an understanding of effective administrative structures required for
the running of a chiropractic clinic.

**ULO4:** Apply accurate and appropriate clinical record keeping skills.

**ULO5:** Demonstrate satisfactory competency in the ongoing assessments and attendance criteria for the clinic internship. Demonstrate ability to meet quotas as determined by the Department with respect to patient consultation requirements as set out in the Council on Chiropractic Education Australasia Inc (CCEA) Standards for First Professional Award Programs in Chiropractic Guidelines (Appendix 1 in Clinic Manual) inclusive of radiography quotas set by the Department with respect to the number of diagnostic radiographs produced and reports written. Demonstrated compliance to all requirements for the unit as described in the Clinic Manual.

**ULO6:** Display sociocultural competency awareness and respect.

**ULO7:** Critically analyse ethical and legal issues, chiropractic code of practice and compromising situations.

**ULO8:** Gain an understanding of the occupational health and safety area and how chiropractors work in this field.

### General Assessment Information

This unit is a Satisfactory/ Fail unit. A minimum raw mark of 70 must be attained overall for a Satisfactory grade to be awarded.

All clinic requirements as outlined in the Clinic Manual must be completed by the end of the examination period in November, 2023.

**Clinical exam DVD format**

Assessment Type 1: Clinical performance evaluation

Indicative Time on Task 2: 10 hours

Due: **Examination week**

Weighting: **30%**
Clinical Competency standardised case presented in a DVD format to students. Standardised case, including material from WHS, ethics and jurisprudence lectures.

On successful completion you will be able to:

- Take a chiropractic clinical history, perform the relevant physical examination, order any necessary radiographs, refer for any other necessary evaluation in order to provisionally diagnose the patient's condition and carry out safe and effective chiropractic management of a patient (as taught by the Department) within the allocated time.
- Educate patients in the aims and objectives of the proposed care including a rehabilitation program.
- Apply accurate and appropriate clinical record keeping skills.
- Demonstrate satisfactory competency in the ongoing assessments and attendance criteria for the clinic internship. Demonstrate ability to meet quotas as determined by the Department with respect to patient consultation requirements as set out in the Council on Chiropractic Education Australasia Inc (CCEA) Standards for First Professional Award Programs in Chiropractic Guidelines (Appendix 1 in Clinic Manual) inclusive of radiography quotas set by the Department with respect to the number of diagnostic radiographs produced and reports written. Demonstrated compliance to all requirements for the unit as described in the Clinic Manual.
- Display sociocultural competency awareness and respect.
- Critically analyse ethical and legal issues, chiropractic code of practice and compromising situations.

Clinical competency viva

Assessment Type 1: Clinical performance evaluation
Indicative Time on Task 2: 10 hours
Due: Examination week
Weighting: 30%

Clinical Competency standardised case presented in a paper-based format to students. Standardised case, including material from CHIR8601 & CHIR8602. Students are examined in a viva voce format where the student will present their answers orally rather than in writing.

On successful completion you will be able to:
• Take a chiropractic clinical history, perform the relevant physical examination, order any necessary radiographs, refer for any other necessary evaluation in order to provisionally diagnose the patient's condition and carry out safe and effective chiropractic management of a patient (as taught by the Department) within the allocated time.
• Educate patients in the aims and objectives of the proposed care including a rehabilitation program.
• Demonstrate an understanding of effective administrative structures required for the running of a chiropractic clinic.
• Apply accurate and appropriate clinical record keeping skills.
• Demonstrate satisfactory competency in the ongoing assessments and attendance criteria for the clinic internship. Demonstrate ability to meet quotas as determined by the Department with respect to patient consultation requirements as set out in the Council on Chiropractic Education Australasia Inc (CCEA) Standards for First Professional Award Programs in Chiropractic Guidelines (Appendix 1 in Clinic Manual) inclusive of radiography quotas set by the Department with respect to the number of diagnostic radiographs produced and reports written. Demonstrated compliance to all requirements for the unit as described in the Clinic Manual.
• Display sociocultural competency awareness and respect.
• Critically analyse ethical and legal issues, chiropractic code of practice and compromising situations.
• Gain an understanding of the occupational health and safety area and how chiropractors work in this field.

Clinical competency on new patient

Assessment Type 1: Clinical performance evaluation
Indicative Time on Task 2: 10 hours
Due: Week 7
Weighting: 25%

Full clinical competency assessment is to be undertaken on a patient that is new to the student. The student performance will be assessment and marked by a Clinic Supervisor.

On successful completion you will be able to:
• Take a chiropractic clinical history, perform the relevant physical examination, order any necessary radiographs, refer for any other necessary evaluation in order to provisionally
diagnose the patient's condition and carry out safe and effective chiropractic management of a patient (as taught by the Department) within the allocated time.

• Educate patients in the aims and objectives of the proposed care including a rehabilitation program.
• Apply accurate and appropriate clinical record keeping skills.
• Demonstrate satisfactory competency in the ongoing assessments and attendance criteria for the clinic internship. Demonstrate ability to meet quotas as determined by the Department with respect to patient consultation requirements as set out in the Council on Chiropractic Education Australasia Inc (CCEA) Standards for First Professional Award Programs in Chiropractic Guidelines (Appendix 1 in Clinic Manual) inclusive of radiography quotas set by the Department with respect to the number of diagnostic radiographs produced and reports written. Demonstrated compliance to all requirements for the unit as described in the Clinic Manual.
• Display sociocultural competency awareness and respect.
• Critically analyse ethical and legal issues, chiropractic code of practice and compromising situations.
• Gain an understanding of the occupational health and safety area and how chiropractors work in this field.

Additional clinic requirements

Assessment Type 1: Clinical performance evaluation
Indicative Time on Task 2: 85 hours
Due: Week 7
Weighting: 0%

Adequate clinical progression with respect to treatments delivered as deemed satisfactory by the Director of Clinics.

On successful completion you will be able to:

• Educate patients in the aims and objectives of the proposed care including a rehabilitation program.
• Demonstrate an understanding of effective administrative structures required for the running of a chiropractic clinic.
• Demonstrate satisfactory competency in the ongoing assessments and attendance criteria for the clinic internship. Demonstrate ability to meet quotas as determined by the
Department with respect to patient consultation requirements as set out in the Council on Chiropractic Education Australasia Inc (CCEA) Standards for First Professional Award Programs in Chiropractic Guidelines (Appendix 1 in Clinic Manual) inclusive of radiography quotas set by the Department with respect to the number of diagnostic radiographs produced and reports written. Demonstrated compliance to all requirements for the unit as described in the Clinic Manual.

Ongoing clinical assessments

Assessment Type 1: Clinical performance evaluation
Indicative Time on Task 2: 10 hours
Due: See iLearn page for due dates
Weighting: 15%

The ongoing clinical assessments incorporate the quotas of clinical activities required to fulfil the Council on Chiropractic Education Australasia (CCEA) Standards for First Professional Award Programs in Chiropractic Guidelines.

On successful completion you will be able to:

• Take a chiropractic clinical history, perform the relevant physical examination, order any necessary radiographs, refer for any other necessary evaluation in order to provisionally diagnose the patient's condition and carry out safe and effective chiropractic management of a patient (as taught by the Department) within the allocated time.
• Educate patients in the aims and objectives of the proposed care including a rehabilitation program.
• Demonstrate an understanding of effective administrative structures required for the running of a chiropractic clinic.
• Apply accurate and appropriate clinical record keeping skills.
• Demonstrate satisfactory competency in the ongoing assessments and attendance criteria for the clinic internship. Demonstrate ability to meet quotas as determined by the Department with respect to patient consultation requirements as set out in the Council on Chiropractic Education Australasia Inc (CCEA) Standards for First Professional Award Programs in Chiropractic Guidelines (Appendix 1 in Clinic Manual) inclusive of radiography quotas set by the Department with respect to the number of diagnostic radiographs produced and reports written. Demonstrated compliance to all requirements for the unit as described in the Clinic Manual.
• Display sociocultural competency awareness and respect.
• Critically analyse ethical and legal issues, chiropractic code of practice and compromising situations.
• Gain an understanding of the occupational health and safety area and how chiropractors work in this field.

1 If you need help with your assignment, please contact:
   • the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
   • the Writing Centre for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources
Students are required to attend 3 x four hour shifts per week in the University’s teaching clinics. Two of these shifts will be as a treating intern, the other as a reception intern. There will be a one hour lecture delivered most weeks of the semester.

Policies and Procedures
Macquarie University policies and procedures are accessible from Policy Central (https://policies.mq.edu.au). Students should be aware of the following policies in particular with regard to Learning and Teaching:

• Academic Appeals Policy
• Academic Integrity Policy
• Academic Progression Policy
• Assessment Policy
• Fitness to Practice Procedure
• Assessment Procedure
• Complaints Resolution Procedure for Students and Members of the Public
• Special Consideration Policy

Students seeking more policy resources can visit Student Policies (https://students.mq.edu.au/support/study/policies). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

To find other policies relating to Teaching and Learning, visit Policy Central (https://policies.mq.edu.au) and use the search tool.
Student Code of Conduct

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: https://students.mq.edu.au/admin/other-resources/student-conduct

Results

Results published on platform other than eStudent, (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in eStudent. For more information visit ask.mq.edu.au or if you are a Global MBA student contact globalmba.support@mq.edu.au

Academic Integrity

At Macquarie, we believe academic integrity – honesty, respect, trust, responsibility, fairness and courage – is at the core of learning, teaching and research. We recognise that meeting the expectations required to complete your assessments can be challenging. So, we offer you a range of resources and services to help you reach your potential, including free online writing and maths support, academic skills development and wellbeing consultations.

SECTION 7: PROFESSIONALISM

In the Faculty of Medicine, Health and Human Sciences, professionalism is a key capability embedded in all our courses.

As part of developing professionalism, students are expected to attend all small group interactive sessions including clinical, practical, laboratory, work-integrated learning (e.g., PACE placements), and team-based learning activities. Some learning activities are recorded (e.g., face-to-face lectures), however you are encouraged to avoid relying upon such material as they do not recreate the whole learning experience and technical issues can and do occur. As an adult learner, we respect your decision to choose how you engage with your learning, but we would remind you that the learning opportunities we create for you have been done so to enable your success, and that by not engaging you may impact your ability to successfully complete this unit. We equally expect that you show respect for the academic staff who have worked hard to develop meaningful activities and prioritise your learning by communicating with them in advance if you are unable to attend a small group interactive session.

Another dimension of professionalism is having respect for your peers. It is the right of every student to learn in an environment that is free of disruption and distraction. Please arrive to all learning activities on time, and if you are unavoidably detained, please join activity as quietly as possible to minimise disruption. Phones and other electronic devices that produce noise and other distractions must be turned off prior to entering class. Where your own device (e.g., laptop) is being used for class-related activities, you are asked to close down all other applications to avoid distraction to you and others. Please treat your fellow students with the utmost respect. If you are uncomfortable participating in any specific activity, please let the relevant academic know.

SECTION 8: Inclusion and Diversity
Social inclusion at Macquarie University is about giving everyone who has the potential to benefit from higher education the opportunity to study at university, participate in campus life and flourish in their chosen field. The University has made significant moves to promote an equitable, diverse and exciting campus community for the benefit of staff and students. It is your responsibility to contribute towards the development of an inclusive culture and practice in the areas of learning and teaching, research, and service orientation and delivery. As a member of the Macquarie University community, you must not discriminate against or harass others based on their sex, gender, race, marital status, carers’ responsibilities, disability, sexual orientation, age, political conviction or religious belief. All staff and students are expected to display appropriate behaviour that is conducive to a healthy learning environment for everyone.

Student Support
Macquarie University provides a range of support services for students. For details, visit [http://students.mq.edu.au/support/](http://students.mq.edu.au/support/)

The Writing Centre
The Writing Centre provides resources to develop your English language proficiency, academic writing, and communication skills.

- **Workshops**
- Chat with a WriteWISE peer writing leader
- Access StudyWISE
- Upload an assignment to Studiosity
- Complete the Academic Integrity Module

The Library provides online and face to face support to help you find and use relevant information resources.

- **Subject and Research Guides**
- **Ask a Librarian**

Student Services and Support
Macquarie University offers a range of Student Support Services including:

- **IT Support**
- **Accessibility and disability support** with study
- Mental health support
- **Safety support** to respond to bullying, harassment, sexual harassment and sexual assault
- **Social support including information about finances, tenancy and legal issues**
- **Student Advocacy** provides independent advice on MQ policies, procedures, and processes
Student Enquiries
Got a question? Ask us via AskMQ, or contact Service Connect.

Students with a disability are encouraged to contact the Disability Service who can provide appropriate help with any issues that arise during their studies.

IT Help
For help with University computer systems and technology, visit http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/.

When using the University's IT, you must adhere to the Acceptable Use of IT Resources Policy. The policy applies to all who connect to the MQ network including students.
