**Credit points**  
10

**Prerequisites**  
40cp at 1000 level or above including (ECH113 or ECHE1130)

**Corequisites**

**Co-badged status**

**Unit description**  
This unit introduces students to the theoretical and philosophical trends underpinning early childhood pedagogy. Students explore the historical origins of early childhood curriculum and examine the principles and practices that influence contemporary approaches to teaching and learning with young children. Students will be introduced to philosophical principles including equity, diversity, ethics and critical thinking. In addition they will examine issues of professional judgment and curriculum decision making.

---

# Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at [https://www.mq.edu.au/study/calendar-of-dates](https://www.mq.edu.au/study/calendar-of-dates)
Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Understand the historical context and theoretical perspectives that influence contemporary early childhood education and care.
ULO2: Identify key characteristics of early childhood teachers and contexts.
ULO3: Understand and appreciate self as an early childhood professional, and as a learner.
ULO4: Describe contemporary issues surrounding the pedagogy of professional practice.
ULO5: Articulate an understanding of curriculum decision making and change.
ULO6: Demonstrate increased skills of investigation and the ability to synthesise ideas.
ULO7: Use library resources and information technology to enhance learning.

General Assessment Information

• Students should be aware of and apply the University policy on academic honesty (see: https://policies.mq.edu.au/document/view.php?id=3)

• Unless a Special Consideration (see: https://students.mq.edu.au/study/assessment-exams/special-consideration) request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of 0 (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.

• This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.

• Please format assessments using 12-point font and 1.5 spacing.

• All assessments are submitted electronically. Turnitin plagiarism detection software is used to check all written assessments.

• Students can use Turnitin’s Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.

• Students should carefully check that they submit the correct file for an assessment as no
re-submissions will be accepted after the due date and time, including instances where students upload an incorrect file in error.

- Word limits are strictly applied. Work above the word limit will not be marked.
- All assessments are marked using a rubric.
- Marking of all assessments is moderated by the Unit Convenor.
- Applications for extensions must be made via AskMQ (https://ask.mq.edu.au/).
- It is not the responsibility of unit staff to contact students who have failed to submit assessments. If you have any missing items of assessment, it is your responsibility to make contact with the unit convenor.

**University policy on grading**

**Criteria for awarding grades for assessment tasks**

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the University's Grading Policy. For Professional Experience units the PE Report is marked as satisfactory or unsatisfactory and the Teaching Performance Assessment (in final PE units) is marked as not meets, meets or exceeds. The following descriptive criteria are included for your information.

**Descriptive Criteria for awarding grades in the unit**

In order to meet the unit outcomes and successfully pass this unit, students must make a genuine attempt at all assessment tasks. Where any submitted assessment task is considered to be unsatisfactory in this regard, the highest possible final grade that can be awarded for the unit will be 45.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Descriptor</th>
</tr>
</thead>
<tbody>
<tr>
<td>HD (High Distinction)</td>
<td>Provides consistent evidence of deep and critical understanding in relation to the learning outcomes. There is substantial originality and insight in identifying, generating and communicating competing arguments, perspectives or problem-solving approaches; critical evaluation of problems, their solutions and their implications; creativity in application as appropriate to the discipline.</td>
</tr>
<tr>
<td>D (Distinction)</td>
<td>Provides evidence of integration and evaluation of critical ideas, principles and theories, distinctive insight and ability in applying relevant skills and concepts in relation to learning outcomes. There is demonstration of frequent originality in defining and analysing issues or problems and providing solutions; and the use of means of communication appropriate to the discipline and the audience.</td>
</tr>
<tr>
<td>Cr (Credit)</td>
<td>Provides evidence of learning that goes beyond replication of content knowledge or skills relevant to the learning outcomes. There is demonstration of substantial understanding of fundamental concepts in the field of study and the ability to apply these concepts in a variety of contexts; convincing argumentation with appropriate coherent justification; communication of ideas fluently and clearly in terms of the conventions of the discipline.</td>
</tr>
<tr>
<td>P (Pass)</td>
<td>Provides sufficient evidence of the achievement of learning outcomes. There is demonstration of understanding and application of fundamental concepts of the field of study; routine argumentation with acceptable justification; communication of information and ideas adequately in terms of the conventions of the discipline. The learning attainment is considered satisfactory or adequate or competent or capable in relation to the specified outcomes.</td>
</tr>

</tr>
</tbody>
</table>

**Explaining the EYLF**

Assessment Type 1: Presentation
Indicative Time on Task 2: 26 hours
Due: **23:55 17/03/2023**
Weighting: **30%**

Part A: In groups give a presentation explaining one aspect of the Early Years Learning Framework (EYLF) to a parent audience. Part B: Each group member will individually write a brief parent newsletter explaining the same aspect of the EYLF in a written format. (Presentation 10 minutes) (Newsletter 1000 words)
On successful completion you will be able to:

- Identify key characteristics of early childhood teachers and contexts.
- Understand and appreciate self as an early childhood professional, and as a learner.
- Describe contemporary issues surrounding the pedagogy of professional practice.
- Articulate an understanding of curriculum decision making and change.

**Analysing Early Childhood Curriculum and Pedagogy**

**Assessment Type:** Essay

**Indicative Time on Task:** 34 hours

**Due:** 23:55 29/04/2023

**Weighting:** 40%

Write an essay exploring aspects of early childhood curriculum and pedagogy (1800 words)

On successful completion you will be able to:

- Understand the historical context and theoretical perspectives that influence contemporary early childhood education and care.
- Identify key characteristics of early childhood teachers and contexts.
- Understand and appreciate self as an early childhood professional, and as a learner.
- Describe contemporary issues surrounding the pedagogy of professional practice.
- Articulate an understanding of curriculum decision making and change.
- Demonstrate increased skills of investigation and the ability to synthesise ideas.
- Use library resources and information technology to enhance learning.

**Documentation and Planning**

**Assessment Type:** Report

**Indicative Time on Task:** 30 hours

**Due:** 23:55 02/06/2023

**Weighting:** 30%

Write a report examining the use of digital documentation platforms in early childhood settings and providing recommendations for their use (1200 words)
On successful completion you will be able to:

- Describe contemporary issues surrounding the pedagogy of professional practice.
- Articulate an understanding of curriculum decision making and change.
- Demonstrate increased skills of investigation and the ability to synthesise ideas.
- Use library resources and information technology to enhance learning.

1 If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Writing Centre for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation.

Delivery and Resources

Required and recommended texts

- There is no set textbook for this unit this session
- It is recommended that you download and save a copy of the new Belonging, Being & Becoming: The Early Years Learning Framework for Australia (V2.0 2022)
- A reading list is provided on iLearn and reading links for each week are available via Leganto

Information about the unit iLearn site

- This unit has a full web presence through iLearn.
- Students will need regular access to a computer and the Internet to complete this unit.
- Weekly access to iLearn is compulsory for all students. Important assessment information will be posted here, as will other relevant unit notices and materials, including a reading template and guide to lecture note taking to assist your studies.
- Various activities and materials for discussion and critical reflection are included and external students especially are encouraged to use this web component. Electronic links and suggested references will be included in the Resources section. Please check the iLearn unit regularly.
- Weekly lectures are available on the web through the ECHO360 lecture component. You must listen to all lectures if you do not attend these ‘live’.
- PowerPoint slides in pdf format are available in iLearn in advance of the weekly lecture and/or are available in the Active Learning Tool.
Access and technical assistance

- Information for students about access to the online component of this unit is available at https://ilearn.mq.edu.au/login/index.php. You will need to enter your student username and password.
- Please do NOT contact the Unit Convenor regarding iLearn technical help.
- Assistance is available from IT Helpdesk
  - Ph: 9850 4357 or 1800 67 4357
  - Email: help.mq.edu.au.
  - On Campus: Ground floor at 18 Wally’s Walk

Structure of Learning and Teaching Activities

- The unit structure can be found in the university timetable https://timetables.mq.edu.au/2023/
- The unit runs for 10 weeks framed around a specific topic. The weekly topic overview for the unit is available on the following pages and a more detailed schedule with the accompanying readings and/or preparation can be found on the unit iLearn site.
- Each week comprises of a one-hour lecture (pre-recorded), required reading(s) and a two-hour weekly tutorial for internal students or a two-day session for external students.
  - External students will complete the tutorial tasks at the scheduled infrequent on-campus sessions on:
    - Thursday 13th April 9:00am-4:00pm
    - Friday 14th April 9:00am-4:00pm
- In the tutorial students will discuss issues and questions arising from the lectures and prescribed readings. You are required to participate in small group and whole class activities and discussion, to read the weekly material and watch the lecture in advance (ensure you set aside enough time to complete these tasks and take notes), and to complete brief tasks either as individuals or pairs. You are expected to base your arguments/discussions on evidence from published research and other relevant material.
- There will be a supporting iLearn site for the unit providing additional readings, links and materials.

**Policies and Procedures**

Macquarie University policies and procedures are accessible from Policy Central ([https://policies.mq.edu.au](https://policies.mq.edu.au)). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- Academic Appeals Policy
- Academic Integrity Policy
- Academic Progression Policy
- Assessment Policy
- Fitness to Practice Procedure
- Assessment Procedure
- Complaints Resolution Procedure for Students and Members of the Public
- Special Consideration Policy

Students seeking more policy resources can visit Student Policies ([https://students.mq.edu.au/support/study/policies](https://students.mq.edu.au/support/study/policies)). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

To find other policies relating to Teaching and Learning, visit Policy Central ([https://policies.mq.edu.au](https://policies.mq.edu.au)) and use the search tool.

**Student Code of Conduct**

Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: [https://students.mq.edu.au/admin/other-resources/student-conduct](https://students.mq.edu.au/admin/other-resources/student-conduct)

**Results**

Results published on platform other than eStudent, (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in eStudent. For more information visit ask.mq.edu.au or if you are a Global MBA
Academic Integrity
At Macquarie, we believe academic integrity – honesty, respect, trust, responsibility, fairness and courage – is at the core of learning, teaching and research. We recognise that meeting the expectations required to complete your assessments can be challenging. So, we offer you a range of resources and services to help you reach your potential, including free online writing and maths support, academic skills development and wellbeing consultations.

School of Education Procedures
In addition, the following policies and procedures of the School of Education are applicable in this unit.

Attendance for Undergraduate Units
See the university timetable for information about when classes begin in this unit. https://timetables.mq.edu.au/2023/

Activities completed during weekly tutorials (internal) or on campus days (external) are essential for building the core knowledge and/or skills required to demonstrate the learning outcomes of this unit [and to meet the AITSL Graduate Teacher Standards and/or ACECQA requirements]. Attendance at all tutorials or on campus days is expected and the roll will be taken. Make up tasks may be given if attendance is missed to ensure all content is covered to meet accreditation requirements.

Students are required to attend the tutorial in which they are enrolled. Any changes to tutorial enrolments must be completed officially through e-student. Please do not contact the unit convenor requesting a change.

Electronic Communication
It is the student’s responsibility to check all electronic communication on a regular weekly basis. Communication may occur via:

- Official MQ Student Email Address
- The Dialogue function on iLearn
- Other iLearn communication functions

Infrequent Attendance Students
Information about the dates if the on-campus sessions can be found in the university timetable. https://timetables.mq.edu.au/2023/

- The on-campus sessions are essential to student engagement and learning and attendance on all days is expected. Failure to attend or to have an approved Special Consideration may result in a Fail grade for the unit. Please see attendance requirements in this unit guide.
- Prior to the on-campus sessions, you should have read the prescribed readings and
listened to the lectures. Summarise the main points and make a note of the key terms and definitions. Prepare any discussion questions of your own that you wish to share.

- Please make effective use of the online component of the unit and access iLearn regularly. Keep up to date with listening to the lectures on a weekly basis.
- Further specific details and any updates about times and locations will be posted on iLearn as an Announcement during first half of the semester.

Student Support
Macquarie University provides a range of support services for students. For details, visit http://students.mq.edu.au/support/

The Writing Centre
The Writing Centre provides resources to develop your English language proficiency, academic writing, and communication skills.

- Workshops
- Chat with a WriteWISE peer writing leader
- Access StudyWISE
- Upload an assignment to Studiosity
- Complete the Academic Integrity Module

The Library provides online and face to face support to help you find and use relevant information resources.

- Subject and Research Guides
- Ask a Librarian

Student Services and Support
Macquarie University offers a range of Student Support Services including:

- IT Support
- Accessibility and disability support with study
- Mental health support
- Safety support to respond to bullying, harassment, sexual harassment and sexual assault
- Social support including information about finances, tenancy and legal issues
- Student Advocacy provides independent advice on MQ policies, procedures, and processes

Student Enquiries
Got a question? Ask us via AskMQ, or contact Service Connect.
IT Help

For help with University computer systems and technology, visit http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/.

When using the University's IT, you must adhere to the Acceptable Use of IT Resources Policy. The policy applies to all who connect to the MQ network including students.

5Rs Framework

The 5Rs Framework, developed by the School of Education at Macquarie University, is embedded throughout your teacher education course. Your use of the 5Rs Framework will help you develop the capabilities that will make your teaching career sustainable and fulfilling. In this unit, you will learn using the 5Rs framework in the following important ways:

Resilient

Teachers need to manage uncertain and complex issues and unexpected events when they arise in their career. We know teaching is challenging and demanding, however, it has been observed that teachers who thrive are able to draw on their personal resources and the social and structural supports around them.

One aspect of this unit is a focus on learning dispositions for children - which include resilience and persistence. These are discussed in terms of how they can be "taught" but in doing so students also engage in reflection on their own sense of identity and dispositions for learning.

Reflexive

Teaching is about understanding multiple and changing ecologies of learning: individual students’ needs, the affordances of classroom spaces, student and teacher relationships, curriculum, research evidence, school culture, parental expectations, community demographics and needs, expectations of the profession, and government policy. Teachers must recognise and mediate these elements in their career, along with their own motivations and priorities, to make effective and impactful decisions that ensure quality student outcomes every day.

Reflective practice is a key principle within the EYLF. In exploring the importance of reflective practice throughout the unit students are engaged in regular reflection and reflective discussions about their own ideas and thinking.

Responsive

Teaching is a relational profession: great teachers make deep connections with students, parents and communities. Most of us remember a great teacher we had at school: not because of the content they taught, but because they were inspiring; because of the connection they made with us, their interest in us as an individual, their care for our wellbeing and success.

The unit ties theory to practice through and exploration of the EYLF and how it is used in early childhood settings. In this way it is responsive to practice and current debates/ideas in the sector and also informed by Mia Mia's practice (through the involvement of Mia Mia staff in consulting on the unit). Assessment 3 addresses contemporary/digital approaches to documentation of
children's learning.

Ready to Learn

When teachers graduate from university they are not at the end of their learning journey, but at the beginning. Ongoing pursuit of learning is a mark of a quality teaching profession. There are always new challenges to deal with and new ideas to try. However, in practice, learning needs are not a one size fits all affair. Teachers need to identify their own learning needs for their context and they can pursue that learning to achieve great outcomes for all students.

This unit focuses on the importance of ongoing professional development for teachers throughout their career. Key discussions focus on professional decision making and the role of ongoing learning as a key contributor to professional knowledge and growth.

Research Engaged

Effective teachers base their practice on evidence. This evidence can come from their own research in the classroom and from the latest academic research in specialised areas of learning, teaching, motivation, cognition, curriculum, technologies and spaces to name a few. Understanding data is important so that it can be analysed and woven back into practice.

In exploring the EYLF the unit engages with the research evidence that underpins early childhood curriculum. It is also concerned with helping students to articulate the research on early childhood education to a parent audience. Assessment 1 requires students to explain and element of the EYLF to parents via a newsletter while Assessment 2 asks them to explore the research behind another aspect of the EYLF.
