130cp at 1000 level or above including (ECH113 or ECHE1130 or ABEC120) and (ECH130 or ECHE1300)

Corequisites

Co-badged status

Unit description
This unit examines the role of outdoor environments in providing opportunities for young children to engage in discovery and creative play and physical activity. The unit builds on students’ foundational understanding of play-based pedagogies to enhance their capacity to recognise, evaluate and design play-based environments and experiences that promote learning for children from birth to school age. The unit explores inter-relationships between affordances in the outdoor environment, children's play behaviours and their learning, with a particular emphasis on relationship-based learning, scientific inquiry, problem-solving and physical activity. The unit requires students to engage critically with a range of relevant contemporary issues which have the potential to impact on children's opportunities for learning and development. Students also consider issues of inclusive practice for children with different educational and developmental capabilities and with different social and cultural backgrounds.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Articulate an understanding of the major theoretical developments in outdoor
learning environments.

**ULO2:** Critically reflect on relevant contemporary societal issues and how these may impact on children's learning opportunities.

**ULO3:** Draw on contemporary theoretical and curriculum approaches to critically evaluate outdoor environments.

**ULO4:** Design rich, integrated and inclusive outdoor play experiences for children aged birth to five.

**ULO5:** Understand how outdoor environments can foster holistic learning outcomes as specified in the Early Years Learning Framework.

**ULO6:** Articulate a range of intentional teaching strategies which can enhance children's learning in outdoor environments.

**ULO7:** Consider social, cultural and educational diversity when planning for and evaluating outdoor learning environments for children aged birth to five years.

**General Assessment Information**

Please refer to unit iLearn site for more detailed information about assessment tasks.

- Students should be aware of and apply the University policy on academic honesty (see: https://policies.mq.edu.au/document/view.php?id=3)

- Unless a Special Consideration (see: https://students.mq.edu.au/study/assessment-exams/special-consideration) request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of 0 (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.

- This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.

- Please format assessments using 12-point font and 1.5 spacing.

- All assessments are submitted electronically. Turnitin plagiarism detection software is used to check all written assessments.
• Students can use Turnitin’s Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.

• Students should carefully check that they submit the correct file for an assessment as no re-submissions will be accepted after the due date and time, including instances where students upload an incorrect file in error.

• Word limits are strictly applied. Work above the word limit will not be marked.

• All assessments are marked using a rubric.

• Marking of all assessments is moderated by the Unit Convenor.

• Applications for extensions must be made via AskMQ (https://ask.mq.edu.au/).

• It is not the responsibility of unit staff to contact students who have failed to submit assessments. If you have any missing items of assessment, it is your responsibility to make contact with the unit convenor.

**University policy on grading**

**Criteria for awarding grades for assessment tasks**

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the University’s Grading Policy. The following descriptive criteria are included for your information.

**Descriptive Criteria for awarding grades in the unit**

In order to meet the unit outcomes and successfully pass this unit, students must make a genuine attempt at all assessment tasks. Where this requirement is not met you will be awarded an FA grade with a maximum mark of 45.

In order to ensure clear distinctions between grades, final marks of 49, 64, 74 and 84 will not be used. The following generic grade descriptors provide university-wide standards for awarding final grades.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Descriptor</th>
</tr>
</thead>
<tbody>
<tr>
<td>HD</td>
<td>Provides consistent evidence of deep and critical understanding in relation to the learning outcomes. There is substantial originality and insight in identifying, generating and communicating competing arguments, perspectives or problem solving approaches; critical evaluation of problems, their solutions and their implications; creativity in application as appropriate to the discipline.</td>
</tr>
</tbody>
</table>

Outdoor Play policy

Assessment Type ¹: Professional writing
Indicative Time on Task ²: 40 hours

Note: If you fail a unit with a professional experience component, the fail grade will be on your transcript irrespective of the timing of the placement.

Withdrawing from this unit

If you are considering withdrawing from this unit, please seek academic advice via https://ask.mq.edu.au before doing so as this unit may be a co-requisite or prerequisite for units in the following sessions and may impact on your course progression.

Results

Results shown in iLearn, or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in eStudent. For more information visit ask.mq.edu.au.
Due: **23.55 Thursday 06/04/2023**  
Weighting: **40%**

1500 word professional policy outlining approach to outdoor learning and embedding sustainability

On successful completion you will be able to:
- Articulate an understanding of the major theoretical developments in outdoor learning environments.
- Critically reflect on relevant contemporary societal issues and how these may impact on children's learning opportunities.
- Draw on contemporary theoretical and curriculum approaches to critically evaluate outdoor environments.
- Understand how outdoor environments can foster holistic learning outcomes as specified in the Early Years Learning Framework.

**Planning for outdoor learning**

Assessment Type: Design Task  
Indicative Time on Task: 50 hours  
Due: **23.55 Friday 05/05/2023**  
Weighting: **60%**

Diagram plus 2000 word rationale and analysis of learning and 1 page experience plan

On successful completion you will be able to:
- Articulate an understanding of the major theoretical developments in outdoor learning environments.
- Draw on contemporary theoretical and curriculum approaches to critically evaluate outdoor environments.
- Design rich, integrated and inclusive outdoor play experiences for children aged birth to five.
- Understand how outdoor environments can foster holistic learning outcomes as specified in the Early Years Learning Framework.
- Articulate a range of intentional teaching strategies which can enhance children's
learning in outdoor environments.

- Consider social, cultural and educational diversity when planning for and evaluating outdoor learning environments for children aged birth to five years.

1 If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Writing Centre for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

There is an expectation that you complete the scholarly reading in this unit. Your textbook in particular is an integral part of your study of ECHE3100 and essential for completion of assessment tasks.

Required texts

In addition to chapters from the text, there are supplementary weekly readings associated with some topics (available through library/Leganto unit readings) - refer to iLearn for details.

Unit Structure

The unit comprises at least 1 one-hour online lecture each week. In some weeks there may be an additional online lecture which students are also expected to listen to in preparation for the tutorials.

As per the the university timetable (https://timetables.mq.edu.au/2023/) Internal (weekday) students will have a 2-hour weekly tutorial and external (Infrequent) students will have two full-day on campus sessions (Saturday 18th March & Thursday 13th April).

In tutorials students will discuss issues and questions arising from the lectures and prescribed readings. They are expected to base their arguments/discussions on evidence from published research and other relevant material. Students are required to participate in small group activities and whole class discussion, to listen to the lectures and read the weekly material in advance, and to complete brief tasks either as individuals or in pairs. The weekly program for the course with the accompanying readings/ preparation is available on the following pages and on the unit iLearn site.

NOTE: There are no lectures or tutorials in Weeks 6 and 10-13 as many students are on PEx
placement. If you are completing a PEx placement in weeks other than these it is essential that you contact the unit convenor and consider whether it is possible for you to complete the unit.

**Lectures**

Weekly lectures are available on the web through ECHO360 and will be available by the Monday of each week. PowerPoint slides are available in iLearn and/or are available in the Active Learning Tool.  **You must listen to all lectures prior to attending the associated tutorial.**

**Attendance Requirements**

Tutorial attendance is expected. There will be a supporting website for the unit providing information about additional readings, links and materials. Lectures will also be available through Echo in iLearn from the following website link: [http://ilearn.mq.edu.au](http://ilearn.mq.edu.au)

Further specific details and any updates about times and locations will be posted on iLearn as an Announcement during the first half of the semester.

**Information about the unit iLearn site**

This unit has a full web presence through iLearn. Students will need regular access to a computer and the internet to complete this unit. Weekly access to iLearn is compulsory for all students. Important assessment information will be posted there, as will other relevant unit notices and materials, including the schedule of weekly lectures and readings and full details of assessment tasks. Various activities and materials for discussion and critical reflection are included and external students especially are encouraged to use this web component. Electronic links and suggested references will be included in the Resources section. Please check the iLearn unit regularly.

**Access and technical assistance**

Information for students about access to the online component of this unit is available at [https://iLearn.mq.edu.au/login/index.php](https://iLearn.mq.edu.au/login/index.php). You will need to enter your student username and password.

Please do NOT contact the Unit Convenor regarding iLearn technical help.

Assistance is available from IT Helpdesk

Ph: 9850 4357 or 1800 67 4357

Email: help.mq.edu.au.

On Campus: Ground floor at 18 Wally’s Walk

**This unit requires students to use several ICT and software skills:**

- **Internet access:** The iLearn site contains materials for this unit; it is also required for the online submission of all Assessment Tasks, and for the use of Turnitin submission for ALL tasks.

- **Word processing, visual representations, and document formatting:** You are required to use an appropriate form of software to present your assignments.

- **Uploading** of assessment tasks to iLearn. Support resources Macquarie University has a
range of services for students. If you are struggling with any aspect of academic life or career trajectory and skills, we have great supports within the university. Please refer to the comprehensive list of support services [here](https://unitguides.mq.edu.au/unit_offerings/156380/unit_guide/print).

Week 13
29 May
No lectures or tutorials

Policies and Procedures
Macquarie University policies and procedures are accessible from Policy Central (https://policies.mq.edu.au). Students should be aware of the following policies in particular with regard to Learning and Teaching:

- Academic Appeals Policy
- Academic Integrity Policy
- Academic Progression Policy
- Assessment Policy
- Fitness to Practice Procedure
- Assessment Procedure
- Complaints Resolution Procedure for Students and Members of the Public
- Special Consideration Policy

Students seeking more policy resources can visit Student Policies (https://students.mq.edu.au/support/study/policies). It is your one-stop-shop for the key policies you need to know about throughout your undergraduate student journey.

To find other policies relating to Teaching and Learning, visit Policy Central (https://policies.mq.edu.au) and use the search tool.

Student Code of Conduct
Macquarie University students have a responsibility to be familiar with the Student Code of Conduct: https://students.mq.edu.au/admin/other-resources/student-conduct

Results
Results published on platform other than eStudent, (eg. iLearn, Coursera etc.) or released directly by your Unit Convenor, are not confirmed as they are subject to final approval by the University. Once approved, final results will be sent to your student email address and will be made available in eStudent. For more information visit ask.mq.edu.au or if you are a Global MBA student contact globalmba.support@mq.edu.au

Academic Integrity
At Macquarie, we believe academic integrity – honesty, respect, trust, responsibility, fairness and courage – is at the core of learning, teaching and research. We recognise that meeting the expectations required to complete your assessments can be challenging. So, we offer you a range of resources and services to help you reach your potential, including free online writing an
d maths support, academic skills development and wellbeing consultations.

School of Education Procedures

In addition, the following policies and procedures of the School of Education are applicable in this unit.

Attendance for undergraduate units

See the university timetable for information about when classes begin in this unit. See the university timetable for information about when classes begin in this unit. [https://timetables.mq.edu.au/2023/](https://timetables.mq.edu.au/2023/)

For this unit, all Internal (weekday) tutorials begin in Week 1 of Session.

Activities completed during weekly tutorials (internal) or on campus days (external) are essential for building the core knowledge and/or skills required to demonstrate the learning outcomes of this unit [and to meet the AITSL Graduate Teacher Standards and/or ACECQA requirements].

Attendance at all tutorials or on campus days is expected and the roll will be taken. Make up tasks may be given if attendance is missed to ensure all content is covered to meet accreditation requirements.

Students are required to attend the tutorial in which they are enrolled. Any changes to tutorial enrolments must be completed officially through e-student. Please do not contact the unit convenor requesting a change.

Infrequent Attendance Students

Information about the dates if the on-campus sessions can be found in the university timetable. [https://timetables.mq.edu.au/2023/](https://timetables.mq.edu.au/2023/)

- The on-campus sessions on 18th March and 13th April are essential to student engagement and learning and attendance on all days is expected. Failure to attend or to have an approved Special Consideration may result in a Fail grade for the unit. Please see attendance requirements in this unit guide.

- Prior to the on-campus sessions, you should have read the prescribed readings and listened to the lectures. Summarise the main points and make a note of the key terms and definitions. Prepare any discussion questions of your own that you wish to share.

- Please make effective use of the online component of the unit and access iLearn regularly. Keep up to date with listening to the lectures on a weekly basis.

- Further specific details and any updates about times and locations will be posted on iLearn as an Announcement during first half of the semester.

Electronic Communication
It is the student’s responsibility to check all electronic communication on a regular weekly basis. Communication may occur via:

- Official MQ Student Email Address
- The Dialogue function on iLearn
- Other iLearn communication functions

Student Support

Macquarie University provides a range of support services for students. For details, visit [http://students.mq.edu.au/support/](http://students.mq.edu.au/support/)

**The Writing Centre**

The Writing Centre provides resources to develop your English language proficiency, academic writing, and communication skills.

- Workshops
- Chat with a WriteWISE peer writing leader
- Access StudyWISE
- Upload an assignment to Studiosity
- Complete the Academic Integrity Module

The Library provides online and face to face support to help you find and use relevant information resources.

- Subject and Research Guides
- Ask a Librarian

Student Services and Support

Macquarie University offers a range of Student Support Services including:

- IT Support
- Accessibility and disability support with study
- Mental health support
- Safety support to respond to bullying, harassment, sexual harassment and sexual assault
- Social support including information about finances, tenancy and legal issues
- Student Advocacy provides independent advice on MQ policies, procedures, and processes

Student Enquiries

Got a question? Ask us via [AskMQ](https://askmq.mq.edu.au), or contact [Service Connect](https://servicemq.mq.edu.au/).
IT Help
For help with University computer systems and technology, visit http://www.mq.edu.au/about_us/offices_and_units/information_technology/help/.

When using the University's IT, you must adhere to the Acceptable Use of IT Resources Policy. The policy applies to all who connect to the MQ network including students.

Changes from Previous Offering
Number of assessment tasks reduced from three to two.

5 Rs Framework
The 5Rs Framework, developed by the School of Education at Macquarie University, is embedded throughout your teacher education course.

Your use of the 5Rs Framework will help you develop the capabilities that will make your teaching career sustainable and fulfilling.

In this unit, you will learn using the 5Rs framework in the following important ways:

Resilient:
• In tutorials students consider how a willingness to accept challenge and try new things builds confidence, persistence and resilience. Students are encouraged to examine their own experiences and attitudes towards the outdoors and 'move out of their comfort zone' in the provision of outdoor learning experiences for children.

Reflexive:
• Students reflect on their own childhood experiences in comparison to children today and factors associated with diverse lived experiences. Students consider how their values and attitudes towards being outdoors influences the experiences they provide for children.

Responsive:
• Students develop outdoor learning philosophy and policy documents that respond to NQF requirements

Ready to Learn:
• Students are supported to develop an understanding that research provides the evidence base to inform practice and to identify strategies for supporting children's learning. This is applied in the development of their policy documents and experience plans submitted for assessment tasks.

Research Engaged:
• Assessment tasks require students to engage with outdoor learning research to support their philosophy and policy development and justify planning decisions.
