After the 7th day, a mark of, 0 (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.
- This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.
- Please format assessments using 12-point font and 1.5 spacing.
- All assessments are submitted electronically. Turnitin plagiarism detection software is used to check all written assessments.
- Students can use Turnitin's Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.
- Students should carefully check that they submit the correct file for an assessment as no re-submissions will be accepted after the due date and time, including instances where students upload an incorrect file in error.
- Word limits are strictly applied. Work above the word limit will not be marked.

- All assessments are marked using a rubric.
- Marking of all assessments is moderated by the Unit Convenor.
- Applications for extensions must be made via AskMQ (<https://ask.mq.edu.au/>).
- It is not the responsibility of unit staff to contact students who have failed to submit assessments. If you have any missing items of assessment, it is your responsibility to make contact with the unit convenor.

Criteria for awarding grades for assessment tasks

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the University's Grading Policy. ***For Professional Experience units the PE Report is marked as satisfactory or unsatisfactory and the Teaching Performance Assessment (in final PE units) is marked as not meets, meets or exceeds.** The following descriptive criteria are included for your information.

Descriptive Criteria for awarding grades in the unit

In order to meet the unit outcomes and successfully pass this unit, students must make a genuine attempt at all assessment tasks. Where any submitted assessment task is considered to be unsatisfactory in this regard, the highest possible final grade that can be awarded for the unit will be 45.

Attendance for undergraduate units

See the university timetable for information about when classes begin in this unit. <https://timetables.mq.edu.au/2023/>

Activities completed during weekly tutorials (internal) or on campus days (external) are essential for building the core knowledge and/or skills required to demonstrate the learning outcomes of this unit [and to meet the AITSL Graduate Teacher Standards and/or ACECQA requirements]. Attendance at all tutorials or on campus days is expected and the roll will be taken. Make up tasks may be given if attendance is missed to ensure all content is covered to meet accreditation requirements.

Students are required to attend the tutorial in which they are enrolled. Any changes to tutorial enrolments must be completed officially through e-student. Please do not contact the unit convenor requesting a change.

Attendance for Master of Teaching (Primary and Secondary) units

*Attendance at all synchronous activities, completion of non-synchronous formative/diagnostic class tasks and involvement in professional forums is **compulsory** as the Master of Teaching is a professional qualification. All students must meet the 80% attendance requirement.*

Infrequent Attendance Students

Information about the dates of the on-campus sessions can be found in the university timetable. <https://timetables.mq.edu.au/2023/>

- The on-campus sessions are essential to student engagement and learning and attendance on all days is expected. Failure to attend or to have an approved Special Consideration may result in a Fail grade for the unit. Please see attendance requirements in this unit guide.
- Prior to the on-campus sessions, you should have read the prescribed readings and listened to the lectures. Summarise the main points and make a note of the key terms and definitions. Prepare any discussion questions of your own that you wish to share.
- Please make effective use of the online component of the unit and access iLearn regularly. Keep up to date with listening to the lectures on a weekly basis.
- Further specific details and any updates about times and locations will be posted on iLearn as an Announcement during first half of the semester.

Important information FOR POSTGRAD PE UNITS

Students in the MTeach (Prim/Sec) must have met the standard for both the Literacy and Numeracy test prior to commencing the professional experience placement unit EDST8240 - Professional Practice 3 and Educational Research. Enrolling in EDST8240 while waiting for your results will not be accepted.

Passing a Professional Experience Unit

To pass a Professional Experience unit, students must achieve a satisfactory result for their professional experience placement AND achieve a satisfactory result overall for their academic assessment tasks (MQTPA) (where applicable) in the unit.

Professional Experience Unit Placement Expectations

- Students must be able to present evidence of completion of several tasks prior to session census date (or as otherwise advised) in order to receive a placement for Professional Experience. Please check your email from the Work Integrated Learning (WIL) Office. Requirements are outlined here as well: <https://education.nsw.gov.au/teaching-and-learning/professional-learning/pl-resources/pre-service-teacher-resources/induction-for-pre-service-teachers/mandatory-pre-requisites-for-pre-service-teachers-participating->
- Students must have submitted all written assessment tasks and/or associated unit component requirements prior to the commencement of the block
- Students who are completing a unit offered by another department are expected to inform and negotiate with that unit convenor about their professional experience block

dates and to discuss how that unit's requirements can be met. For some situations, it may mean that you are enrolled externally for that unit so that your attendance for tutorials for that unit is not impacted.

- Feedback from Tertiary Supervisors and/or Supervising Teachers is of a general nature. It is incumbent on the student to check the requirements of any assessments or bookwork prior to submission.
- If a Student is identified being **in need of additional support** for Professional Practice and/or Bookwork, the School of Education's '**Additional Support**' procedure will be activated and they will not be able to withdraw themselves from this Unit.
- Students may not be able to commence their placement until all alleged academic honesty breaches have been investigated and concluded.
- The timing of placements can vary. For placements early in the Session, Fail grades may be approved by the University prior to the end of Session for students who do not meet the placement expectations of the Unit.

Fitness to practice requirements

- Macquarie University operates under a 'Fitness to Practice' model as specified in the University's Academic Progression Policy. For this Unit, this means that, when undertaking a placement, a student is declaring that they are able to demonstrate professional competence, acceptable professional behaviour, freedom from impairment, and compliance with program specific requirements needed for a student to practice properly and safely throughout their Practical, Clinical or Professional program or unit. It is the responsibility of the student to determine whether they are fit to undertake a placement. Therefore, if a student is feeling unfit to undertake a placement, they should not do so. For more information <https://staff.mq.edu.au/work/strategy-planning-and-governance/university-policies-and-procedures/policies/academic-progression>

Twice Fail Rule for Professional Experience Units

General Coursework Rule 10(7) stipulates that if a student fails a required unit twice in an undergraduate professional program listed on Schedule 2, they may be permanently excluded from further enrolment in that program.

Students completing a double degree will be able to continue with their other degree program provided they meet the academic progression requirements of the Academic Progression Policy.

***Students completing a single Education degree (such as the BTeach/MTeach) are advised to seek academic advice.**

Changes from Previous Offering

The main change since the previous offering is that Teacher Education Students can use the GoReact video platform located on iLearn to record their teaching/lessons for the MQTPA submission.

Macquarie School of Education 5Rs Framework

The 5Rs Framework, developed by the School of Education at Macquarie University, is embedded throughout your teacher education course. Your use of the 5Rs Framework will help you develop the capabilities that will make your teaching career sustainable and fulfilling. In this unit, you will learn using the 5Rs framework in the following important ways, through professional experience school placement, Viva Voce presentation and MQ Teaching Performance Assessment (MQTPA), the **5Rs: Responsive, Resilience, Reflexive, Research engaged and Ready to learn** will be apparent through:

- Planning
- Teaching
- Assessing (and reporting)
- Reflecting

The Macquarie University Teaching Performance Assessment (MQTPA) task is designed to ensure that Teacher Education Students (TES) graduating from the Macquarie School of Education at Macquarie University can meet the Australian Professional Standards for Teachers (APST) at the Graduate level. TES will complete the MQTPA in the final Professional Experience unit for their course. To ensure the MSoE is preparing the TES for evidence-based quality teaching cycles, the MQTPA is informed by reflexive practice. TES will complete the MQTPA through the collection of various forms of evidence as detailed throughout this document. TES also need to refer to the Professional Experience Requirements for their final Professional Experience unit, as this document will support the evidence collected and annotated whilst on placement. The TES will be assessed using a three-point Likert scale scoring rubric for each section 1 - 4 below. Teacher Education Students will achieve: Not Met / Met / Exceeds Expectations on the requirements of the specific skills/abilities/competencies in each of the four components:

1. Planning
2. Teaching
3. Assessing
4. Reflexivity and in an overall holistic assessment.

Experienced university assessors are trained in assessing the MQTPA. The assessors consist of academics who teach in PE units in the Early Childhood, Primary and Secondary courses. The unit convenors (n=3) of the final PE unit in all courses conduct overall moderation, which includes analysing a range of TPAs to check for consistency.
