**Unit description**
This unit provides students the opportunity for an industry-based internship for observing real-world innovation in practice or a research internship for first-hand experience of world-leading research. The internship integrates practical experience and learning for postgraduate students within a business or organization. All students will be required to engage in at least one substantial piece of self-reflective evaluation, one major analytical project report and participate in face-to-face workshops. The placement will allow students to explore relevant issues internal to the organization such as its goals, target identification, project management, to take cutting-edge ideas in scientific disciplines from conception through development to realisation. Students will be considered for enrolment into this unit after the successful completion of the other core units.

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Apply principles of entrepreneurship, leadership and innovation to the workplace.

**ULO2:** Analyse and evaluate your practical experience and be able to critically appraise the experience gained.

**ULO3:** Relate to and display cross-cultural sensitivity in the workplace.

**ULO4:** Demonstrate skills in communication, workplace relations, policy and procedures,
visioning and strategic planning within the workplace.

**General Assessment Information**

Assessments are marked by the Unit convener, however the final reports are marked by specialists in the field and are moderated by the unit convener.

**Requirements to Pass this Unit**

To pass this unit you must:

- Achieve a total mark equal to or greater than 50%, and
- Complete at least 270 hours of work with the partner organisation

**Hurdle Assessments**

**WORK DIARY:** (5%) Development of knowledge and skills requires continual practice in an authorised activity as per the activity statement. This unit requires you to complete relevant activities that develop your skills for a minimum of 270 hours and have each weeks timesheet (that contains a brief statement of the main tasks carried out) signed by the supervisor. This is a hurdle assessment meaning that failure to meet this requirement may result in a fail grade for the unit.

**Late Assessment Submission Penalty**

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark of the task) will be applied for each day a written report or presentation assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. The submission time for all uploaded assessments is 11:55 pm. A 1-hour grace period will be provided to students who experience a technical concern.

Assessments where Late Submissions will be accepted

- Weekly Reflection, final reflection and final report – YES, Standard Late Penalty applies

Delivery and Resources

The objective of the unit

This unit provides students with the opportunity for an industry-based internship for observing real-word innovation in practice or a research internship for the first-hand experience of world-leading research. The internship integrates practical experience and learning for postgraduate students within a business or organization. All students will be required to engage in at least one substantial piece of self-reflective evaluation and one major analytical project. The placement will allow students to explore relevant issues internal to the organization such as its goals, target identification, project management, to take cutting-edge ideas in scientific disciplines from conception through development to realisation. Students will be considered for enrolment into this unit after the successful completion of the other core units.

Process

Students are encouraged to choose and make contact with their own preferred internship provider. Once contact has been made, a referral latter can be requested to be sent to the host organization.

Students are requested to discuss the details and nature of the activity with the host organisation and compete and activity PROPOSAL form. This proposal will be assessed by the convener and sent for amendment or approval. If approved, the host organisation will be sent an ACTIVITY STATEMENT to sign and approve.

Once the activity statement is approved by the host organisation, a CONFIRMATION letter will be sent to both student and host organisation and the activity can proceed.

Requirements

Students are required to:

• Complete any appropriate health checks, vaccinations and any other clearances deemed necessary by the partner organisation;
• Take all necessary precautions to ensure their own health, safety and welfare, as well as the health, safety and welfare of others;
• Abide by and cooperate with the partner organisation with respect to all rules, requirements, and procedures of the partner, including those dealing with Work, Health and Safety requirements; emergency procedures; harassment, bullying and anti-discrimination policies; child protection policies and laws; dress standards; confidentiality and privacy requirements; internet policies and ethical guidelines;
• Complete the required time commitment, assessment tasks and all other requirements of the activity and unit;
• Treat all staff and peers with courtesy and respect and treat everyone equitably,
irrespective of gender, race, disability, cultural background, religion, age, political conviction, age, sexual orientation or medical condition;

• Behave in a way which protects the reputation and good name of the University;
• Ask for and accept feedback and advice about their work;
• Advise the host supervisor and the Unit Convenor if they cannot attend work or participate in the activity due to sickness or other personal circumstances at the earliest possible time;
• Negotiate in good faith with the partner organisation and enter into a separate agreement with them relating to Intellectual Property rights ownership;
• Keep private any information learnt about the workplace, its clients or employees in accordance with the partner organisation’s confidentiality policy.
• Acknowledge that any personal information that may be collected in the course of the activity is protected by the Privacy and Personal Information Protection Act 1998 (NSW), the Privacy Act 1988 (Cth), and the Health Records and Information Privacy Act 2002 (NSW).
• Not present themselves as a representative of the partner organisation in any form of media or communication without prior written permission from the partner organisation. The student must also seek approval from the partner organisation about message content in all such communications.

We will communicate with you via your university email or through announcements on iLearn. Queries to convenors can either be placed on the iLearn discussion board or sent directly to abidali.mohamedali@mq.edu.au.

Workshops

Students are required to attend three (2-hr) workshops in the semester of enrolment - The time and place of these in-person workshops are determined by consulting the most suitable time that the cohort prefers in week 4, 8 and 12 of the semester.

Pre-Enrolment Ilearn Site

Please email the convenor to be enrolled in the pre-internship ilearn site that contains information on how to secure a good internship.

Unit Web Page

The web page for this unit is at Macquarie's new learning management system website: http://ilearn.mq.edu.au

Login and follow prompts to FOSE8110.

You are expected to access the unit web site frequently (i.e., almost daily). This site contains important information including submissions (that you will be expected to access in class) and assignments.
Logging In: Type in the URL http://ilearn.mq.edu.au and find FOSE8110. Your username is your Macquarie Student ID Number (MQID), which is an 8 digit number found on your student card. The password is your myMQ Student Portal password. This will be the original MQID password (2 random characters followed by your date of birth in ddmmyy format) that was sent to you on enrolment, unless you have already changed your password in the myMQ Student Portal. If you experience difficulties in getting your reprint or your password, please contact the StudentIT Desk (ph: 9850 6500).
