<td>This unit aims to equip you with skills to communicate academic research effectively, and with a heightened appreciation of the relationship between research communications and disciplinary knowledge creation. You will analyse, critique and practise academic communication conventions from different research genres in a variety of modes (written, oral and visual), across disciplines. You will develop communication skills to present a clear and coherent exposition of research concepts to a variety of audiences.</td>

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at [https://www.mq.edu.au/study/calendar-of-dates](https://www.mq.edu.au/study/calendar-of-dates)

## Learning Outcomes

On successful completion of this unit, you will be able to:

- **ULO1**: Demonstrate a range of communication styles required as an active academic research professional
- **ULO2**: Effectively utilise written, oral, and visual communications to disseminate research.
- **ULO3**: Explain the structure and style of various types of research communications.
- **ULO4**: Identify different approaches taken to present your data and communicate your research.
General Assessment Information

Grade descriptors and other information concerning grading are contained in the Macquarie University Assessment Policy.

All final grades are determined by a grading committee, in accordance with the Macquarie University Assessment Policy, and are not the sole responsibility of the Unit Convenor.

Students will be awarded a final grade and a mark, which must correspond to the grade descriptors specified in the Assessment Procedure (clause 128).

To pass this unit, you must demonstrate sufficient evidence of achievement of the learning outcomes, meet any ungraded requirements, and achieve a final mark of 50 or better.

Further details for each assessment task will be available on iLearn.

Late Submissions

Unless a Special Consideration request has been submitted and approved, a 5% penalty (OF THE TOTAL POSSIBLE MARK) will be applied each day a written assessment is not submitted, up to the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For example:

Late submission of time sensitive tasks, such as timetabled tests/exams, scheduled performance assessments/presentations, scheduled practical assessments/labs, will be addressed by the unit convenor in a Special consideration application.

Special Consideration

If you are unable to complete an assessment task on or by the specified date due to circumstances that are unexpected, unavoidable, significantly disruptive and beyond your control, you may apply for special consideration in accordance with the Special Consideration Policy. Applications for special consideration must be supported by appropriate evidence and submitted via ask.mq.edu.au.

### Comparative analysis of journal articles
Assessment Type 1: Practice-based task  
Indicative Time on Task 2: 20 hours  
Due: **Week 4**  
Weighting: 15%  
Comparative analysis of journal article style and structure. Creation of style sheet.

On successful completion you will be able to:  
- Demonstrate a range of communication styles required as an active academic research professional  
- Effectively utilise written, oral, and visual communications to disseminate research.

### Research Pitch
Assessment Type 1: Essay  
Indicative Time on Task 2: 10 hours  
Due: **Week 8**  
Weighting: 25%  
Written lay presentation of a research project.

On successful completion you will be able to:  
- Effectively utilise written, oral, and visual communications to disseminate research.  
- Explain the structure and style of various types of research communications.  
- Identify different approaches taken to present your data and communicate your research.

### Protocol for Systematic Review
Assessment Type 1: Report  
Indicative Time on Task 2: 20 hours  
Due: **Week 11**
Weighting: 15%

Students will follow steps of systematic review preparation and reporting in order to prepare a protocol for a systematic review using the PRISMA-P Elaboration and Explanation Document.

On successful completion you will be able to:

• Demonstrate a range of communication styles required as an active academic research professional
• Effectively utilise written, oral, and visual communications to disseminate research.
• Explain the structure and style of various types of research communications.
• Identify different approaches taken to present your data and communicate your research.

Oral Presentation critical review and practice

Assessment Type 1: Presentation
Indicative Time on Task 2: 30 hours
Due: Week 13
Weighting: 45%

Review different oral presentations, compare and contrast their style/effectiveness. Present research in short talk or recorded presentation (online version of unit).

On successful completion you will be able to:

• Effectively utilise written, oral, and visual communications to disseminate research.
• Explain the structure and style of various types of research communications.
• Identify different approaches taken to present your data and communicate your research.

If you need help with your assignment, please contact:

• the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
• the Writing Centre for academic skills support.

Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources

As a student enrolled in this unit, you will engage in a range of online and face-to-face learning activities, including practical research placement, workshops, and online modules. Details can be found on the iLearn site for this unit.

Recommended Readings

There is no textbook for this unit. Some recommended reading is provided in the weekly material
on the iLearn site for this unit.

**Technology Used**

Active participation in the learning activities throughout the unit will require students to have access to a tablet, laptop or similar device. Students who do not own their own laptop computer may borrow one from the university library.

**Policies and Procedures**
