Unit description

This unit introduces students to the key concepts of business operations from a firm perspective while internationalising. Major issues considered include modes of international expansion; the management of international strategic cooperation; an emphasis on small to medium size businesses and how they compete on a global level; and the development of new international organisation forms and their implications for management in various functional and operational areas. Structure and strategy are explored from the perspective of their roles as foundations of the organisation, with an emphasis on how all types of businesses have grappled with the operational and organisational challenges of International Business. Skills in problem solving and teamwork are developed.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>
