Unit description

Strategic marketing management is the driving force of successful firms. The task of competitive marketing strategy is to develop, maintain or defend a firm's competitive position. Competitive marketing strategy must be well-designed to assist a firm to effectively position its products against competitors and gain sustainable market advantages. This unit focuses on developing students' knowledge and skills to manage the firms' strategic marketing activities to sustain performance. The unit equips students with the ability to exercise professional judgement and evaluate strategic marketing options and implement strategies in diverse marketing contexts. This unit advances student ability to develop and apply ethical, data driven marketing strategies for different product/services in diverse market segment in collaboration with peers.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Critique strategic marketing management planning and activities in relations to

firm performance.

ULO2: Exercise professional judgement and evaluate strategic marketing options and implement strategies in diverse marketing contexts.

ULO3: Develop and apply ethical, data driven marketing strategies for different product/services in diverse market segment in collaboration with peers and communicate with diverse audiences.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.

Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Simulation</u>	30%	No	Week 6
<u>Strategic Marketing Management Project</u>	50%	No	W10: Presentation // W13: Report // Exam W: Reflection
<u>Practice-based activities</u>	20%	No	Week 2-12

Simulation

Assessment Type ¹: Simulation/role play

Indicative Time on Task ²: 15 hours

Due: **Week 6**

Weighting: **30%**

The simulation exercise enables you to act as a manager and make decisions for an event. It allows you to evaluate strategic marketing options and apply them to activities that drive strategies you develop. You will also be able to observe the direct impact of your decisions on performance immediately. You must provide a 1500 ±10% word, individual, written analysis.

On successful completion you will be able to:

- Critique strategic marketing management planning and activities in relations to firm performance.
- Exercise professional judgement and evaluate strategic marketing options and implement strategies in diverse marketing contexts.
- Develop and apply ethical, data driven marketing strategies for different product/services in diverse market segment in collaboration with peers and communicate with diverse audiences.

Strategic Marketing Management Project

Assessment Type ¹: Project

Indicative Time on Task ²: 25 hours

Due: **W10: Presentation // W13: Report // Exam W: Reflection**

Weighting: **50%**

The project allows you to collaborate with your peers to develop and apply marketing strategies that identify marketing opportunities and solve marketing issues and communicate solutions for a real business. You will be given a business case and are required to evaluate and select strategic marketing activities to develop ethical, data driven marketing strategies to help the business solve their marketing problem or take advantage of marketing opportunities. You must provide, a 20-minute oral presentation and a 2000 ±10% word report in collaboration with peers. The group oral presentation and report are worth 30% of overall marks assigned to this assignment. This mark is equally divided between the two tasks. You must also provide a 1000±10% word reflection on the team's collaboration experience. You will be given specific questions to answer. This part is worth 20% of the overall marks assigned to this assignment.

On successful completion you will be able to:

- Critique strategic marketing management planning and activities in relations to firm performance.
- Exercise professional judgement and evaluate strategic marketing options and implement strategies in diverse marketing contexts.
- Develop and apply ethical, data driven marketing strategies for different product/services in diverse market segment in collaboration with peers and communicate with diverse audiences.

Practice-based activities

Assessment Type ¹: Participatory task

Indicative Time on Task ²: 20 hours

Due: **Week 2-12**

Weighting: **20%**

Practice based activities allow you to engage in discussions and share your thoughts, help you articulate your point of view, and develop not only your own knowledge, but also assist collaborative learning to gain a better understanding of the topic. Each session students will work on specific activities designed by the teaching team.

On successful completion you will be able to:

- Critique strategic marketing management planning and activities in relations to firm performance.
- Exercise professional judgement and evaluate strategic marketing options and implement strategies in diverse marketing contexts.
