Unit description

This unit is for students who have never studied Spanish before. Students who have studied Spanish or had some informal exposure to the language through family, friends or travel should contact the unit convenor before enrolling in this unit. The course follows a communicative approach and is designed to develop skills in listening comprehension and speaking, but similarly promotes proficiency in reading and writing in order to cultivate the competencies and guidelines established by the Common European Framework of Reference for Languages. The unit aims to prepare students to, among others: introduce themselves and others, ask and answer questions about personal details, understand and use everyday expressions, and interact in simple ways with native speakers of Spanish.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Develop elementary level skills in reading, writing, listening and speaking in the Spanish language.

ULO2: Identify, describe and evaluate a few aspects of Spanish-speaking cultures and societies.

ULO3: Identify, evaluate and deploy the grammatical structures of Spanish at elementary level.

ULO4: Apply relevant language conventions to create meaningful intercultural encounters.

ULO5: Demonstrate an awareness of some language and language use in both Spanish and English.

General Assessment Information

Rubrics and indicative samples are provided in iLearn as additional guidance on standards of achievement for different assessment types.

Submission of most tasks is via iLearn. All assessment tasks are compulsory and must be submitted on time. Assignment tasks handed in early will not be marked and returned before the due date.

Late Assessment Submission Penalty

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of '0' (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue. This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.

To be very clear:

- *Unless you have applied for special consideration and had your application approved, for each day your assignment is late, 5% of the total possible marks will be deducted. For*

example, if you submit your assignment 7 days late, 35/100 marks will be deducted from your actual mark.

- If your assignment is more than 7 days late (including weekends), you will get 0 for your assignment.

These are serious penalties that will substantially alter your final grade and even determine whether you pass or fail this unit. Please make every effort to submit your assignment by the due date.

If you find you cannot submit your assignment on time, please apply for Special Consideration through AskMQ. Make sure you read Macquarie University's policy regarding Special Consideration requests before you apply:

<https://students.mq.edu.au/study/assessment-exams/special-consideration>
