Unit description

Business today is increasingly confronted with the need to participate in and manage a real-time digital environment. Marketers are expected to adopt digital mindsets and be fluent with digital business strategies. Such understanding and skills help them to take advantage of digital technologies to gain a competitive advantage. This unit develops students' knowledge and skills in digital marketing. The unit focuses on the key concepts and frameworks used in digital marketing strategy, implementation and practice. Attention is given to the use of contemporary digital marketing applications in value creation, customer acquisition, customer retention and development.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Critically apply the theories and concepts underpinning digital marketing.

ULO2: Critically analyse and evaluate the digital marketing strategies of a business

ULO3: Design digital marketing strategies to launch and grow a digital business and communicate the strategies in a professional manner to the audience, individually and in

collaboration

General Assessment Information

Late Assessments Submission Penalty

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).

Assessment Tasks

Name	Weighting	Hurdle	Due
Practice-Based Task	30%	No	Week 2 to Week 13
Competitive Analysis Report	30%	No	Week 7
Project	40%	No	Week 12 and Week 13

Practice-Based Task

Assessment Type ¹: Practice-based task

Indicative Time on Task ²: 25 hours

Due: **Week 2 to Week 13**

Weighting: **30%**

Practice-based assessment tasks will be given throughout the semester. Some of these are take-home tasks, others are to be completed during the workshops. Students must submit a total of three (3) tasks for grading. Each task is worth 10%.

On successful completion you will be able to:

- Critically apply the theories and concepts underpinning digital marketing.

Competitive Analysis Report

Assessment Type ¹: Report

Indicative Time on Task ²: 25 hours

Due: **Week 7**

Weighting: **30%**

This is an individual assessment wherein students must complete a written competitive analysis report (2,000 words). Students' in-depth understanding of the competitive landscape will inform their digital marketing strategies in the group projects (Assessment 3).

On successful completion you will be able to:

- Critically analyse and evaluate the digital marketing strategies of a business

Project

Assessment Type ¹: Project

Indicative Time on Task ²: 25 hours

Due: **Week 12 and Week 13**

Weighting: **40%**

The project is designed to provide students with insights into how marketing technologies, tools, and applications can be used to develop digital marketing strategy. This assessment includes: 1) Building a Project Website (Group: 15%), and 2) Video Recorded Presentation with supporting materials (15 minutes, Individual: 20%, Group: 5%).

On successful completion you will be able to:

- Design digital marketing strategies to launch and grow a digital business and communicate the strategies in a professional manner to the audience, individually and in collaboration

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation
