Unit description  
This unit provides an introduction to the main ideas and concepts involved in modern economics, and attempts to provide students with an understanding of how the economy works, what type of problems economists attempt to solve, and how they set about trying to solve them. The unit is primarily concerned with the analysis of individual decision-making agents, the behaviour of firms and industries in the economy (microeconomics), and on the economy as a whole (macroeconomics). Topics can include: consumer choice and demand analysis, the firm and its production and costs, market structures and performance, and labour markets and inequality.

**Important Academic Dates**

Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

**Learning Outcomes**

On successful completion of this unit, you will be able to:

**ULO1**: Identify and describe the importance of economics in the appropriate management of contemporary economic issues.
ULO2: Analyse and explain how principles of economics are relevant in analysing and describing decision-making by individuals, businesses and government.

ULO3: Communicate solutions and apply theories and concepts to real life economic problems.

ULO4: Evaluate economic policy from broad ethical and equity perspectives.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55 pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.
