Unit description This unit provides students with skills and knowledge to manage treasury and finance decisions in non-financial corporations. Corporate financial management requires decisions about capital structure, dividend and capital management, cash, funding and liquidity, financial risk profile and target credit rating. All of these decisions must be made in the context of the company's operating performance and growth strategies. Aligned to ACT Accreditation.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Explain the tools, techniques and models used in treasury and corporate financial management and evaluate how they support business objectives and firm success.

ULO2: Critically analyse strategies to manage key treasury risks and financing strategies in the context of 'real world' examples.

ULO3: Develop and defend recommended financial management strategies and judgements based upon an evaluation of relevant risks and business objectives.

General Assessment Information

Late Assessment Submission Penalty (written assessments) Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be

applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).
