Unit description
This unit provides you with a foundational understanding of counselling techniques, suicide-risk assessment, common psychopathology and intervention strategies and their relevance to practice within organisations.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at [https://www.mq.edu.au/study/calendar-of-dates](https://www.mq.edu.au/study/calendar-of-dates)

Learning Outcomes
On successful completion of this unit, you will be able to:

**ULO1**: Select appropriate standardised psychological testing, as part of broader assessment, to assess and interpret aspects of functioning (Capability 2: Psychologist Practitioner).

**ULO2**: Identify psychological disorders using a recognised taxonomy (Capability 2: Psychologist Practitioner)

**ULO3**: Develop professional interviews and assessments and synthesise information from multiple sources, including assessment of risk, to formulate a conceptualisation of the presenting issues to determine the most appropriate interventions, including
management of risk (Capability 2: Psychologist Practitioner).

**ULO4**: Plan appropriate, empirically supported interventions, and monitor clients’ progress and intervention outcomes (Capability 1: Scientist and Scholar).

**ULO5**: Apply advanced psychological knowledge to culturally responsive interventions in the area of organisational psychology, including selection and planning of psychological or structural mental health interventions appropriate for the organisation or individual (Capability 3: Engaged Global Citizen)

### General Assessment Information

Grade descriptors and other information concerning grading are contained in the Macquarie University Assessment Policy.

All final grades are determined by a grading committee, in accordance with the Macquarie University Assessment Policy, and are not the sole responsibility of the Unit Convenor.

Students will be awarded a final grade and a mark which must correspond to the grade descriptors specified in the Assessment Procedure (clause 128).

To pass this unit, you must demonstrate sufficient evidence of achievement of the learning outcomes, meet any ungraded requirements, and achieve a final mark of 50 or better.

Further details for each assessment task will be available on iLearn.

### Late Submissions

Unless a Special Consideration request has been submitted and approved, a 5% penalty (OF THE TOTAL POSSIBLE MARK) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.
