**Prerequisites**

(ECED826 or ECHE8260) or [admission to MEChild or MEdLead or MEd or GradCertIndigenousEd or MIndigenousEd or MSpecEd or GradCertEdS]

**Corequisites**

ECHX8220

**Unit description**

This unit explores current issues and debates affecting pedagogy, practice, politics and policy in early childhood education. Students will explore a range of responses to state, national and international influences on the provision of nurturant educational services in the early childhood years. We will consider individual approaches to teaching practice as well as policy development in the delivery of various services used by young children and their families. This will include the investigation of approaches to reconceptualising early childhood pedagogy as well as the achievements of major government initiatives directed at education and care settings and the wellbeing of young children and their families.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at [https://www.mq.edu.au/study/calendar-of-dates](https://www.mq.edu.au/study/calendar-of-dates)

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1**: Refine your professional knowledge and understanding in early childhood pedagogy and policy by applying high order analytical skills

**ULO2**: Examine current issues in policy and pedagogy in early childhood education in an
integrated way to identify alternative perspectives

**ULO3:** Critically review relevant literature when appraising complex policy and pedagogical issues as an educational leader in early childhood settings

**ULO4:** Investigate complex information, concepts, and theories in order to establish a personal position regarding emerging trends in the early childhood arena

**General Assessment Information**

- Students should be aware of and apply the University policy on academic honesty (see: [https://policies.mq.edu.au/document/view.php?id=3](https://policies.mq.edu.au/document/view.php?id=3))
- Unless a Special Consideration (see: [https://students.mq.edu.au/study/assessment-exams/special-consideration](https://students.mq.edu.au/study/assessment-exams/special-consideration)) request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of 0 (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11:55pm. A 1-hour grace period is provided to students who experience a technical issue. This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc).
- Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.
- **Please format assessments using 12-point font and 1.5 spacing.**
- All assessments are submitted electronically. Turnitin plagiarism detection software is used to check all written assessments.
- Students can use Turnitin’s Originality Report as a learning tool to improve their academic writing if this option is made available in the unit.
- Students should carefully check that they submit the correct file for an assessment as no re-submissions will be accepted after the due date and time, including instances where students upload an incorrect file in error.
- Word limits are strictly applied. Work above the word limit will not be marked.
- All assessments are marked using a clear marking scheme or a rubric.
- Marking of all assessments is moderated by the Unit Convenor.
- Applications for extensions must be made via AskMQ ([https://ask.mq.edu.au/](https://ask.mq.edu.au/)).
- It is **not the responsibility** of unit staff to contact students who have failed to submit assessments. If you have any missing items of assessment, it is your responsibility to make contact with the unit convenor.
University policy on grading

Criteria for awarding grades for assessment tasks

Assignments will be awarded grades ranging from HD to F according to guidelines set out in the University's Grading Policy. For Professional Experience (PEx) units the PE Report is marked as satisfactory or unsatisfactory and the Teaching Performance Assessment (in final PEx units) is marked as not meets, meets or exceeds.

Descriptive Criteria for awarding grades in the unit

To meet the unit outcomes and successfully pass this unit, students should attempt all assessment tasks.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Descriptor</th>
</tr>
</thead>
<tbody>
<tr>
<td>HD (High Distinction)</td>
<td>Provides consistent evidence of deep and critical understanding in relation to the learning outcomes. There is substantial originality and insight in identifying, generating and communicating competing arguments, perspectives or problem-solving approaches; critical evaluation of problems, their solutions and their implications; creativity in application as appropriate to the discipline.</td>
</tr>
<tr>
<td>D (Distinction)</td>

**Delivery and Resources**

This unit has a full web presence through *iLearn*.

**Students will need regular access to a computer and the Internet to complete this unit.**

Internal students will attend a weekly tutorial. OUA students will have access to online forums and are welcome to contact the unit convenor via Dialogue to seek support, clarify or ask questions about the unit.

Weekly access to *iLearn* is compulsory for all students. Important assessment information will be posted here, as will other relevant unit notices and materials, including a reading template and guide to lecture note taking to assist your studies.

Various activities and materials for discussion and critical reflection are included and external students especially are encouraged to use this web component. Electronic links and suggested references will be included in the Resources section. Please check the *iLearn* unit regularly.

Weekly lectures are available on the web through the ECHO360 lecture component.

PowerPoint slides are available in *iLearn* in advance of the weekly lecture and/or are available in the Active Learning Tool.

**Access and technical assistance**

Information for students about access to the online component of this unit is available at [https://ilearn.mq.edu.au/login/index.php](https://ilearn.mq.edu.au/login/index.php). You will need to enter your student username and password.

Please do **NOT** contact the Unit Convenor regarding *iLearn* technical help.

No extensions will be given for any technical issues. Allow enough time for your submissions.

Assistance is available from IT Helpdesk ph: 1800 67 4357 or log a request at [help.mq.edu.au](http://help.mq.edu.au). OneHelp is the online IT support service for both students and staff.

Academic Integrity

At Macquarie, we believe academic integrity – honesty, respect, trust, responsibility, fairness and courage – is at the core of learning, teaching and research. We recognise that meeting the expectations required to complete your assessments can be challenging. So, we offer you a range of resources and services to help you reach your potential, including free online writing and maths support, academic skills development and wellbeing consultations.

School of Education Procedures

In addition, the following policies and procedures of the School of Education are applicable in this unit.

Electronic Communication

It is the student’s responsibility to check all electronic communication on a regular weekly basis. Communication may occur via:

- Official MQ Student Email Address
- The Dialogue function on iLearn
- Other iLearn communication functions

Attendance for postgraduate units

See the university timetable for information about when classes begin in this unit. Creating your timetable - Enrolling | Macquarie University, Sydney (mq.edu.au)

Activities completed during weekly tutorials (DAY or ONLINE DAY mode) or on campus days (INFQ mode) are essential for building the core knowledge and/or skills required to demonstrate the learning outcomes of this unit [and to meet the AITSL Graduate Teacher Standards and/or ACECQA requirements]. Attendance at all tutorials or on campus days is expected and the roll will be taken. Make up tasks may be given if attendance is missed to ensure all content is covered to meet accreditation requirements.

Students are required to attend the tutorial in which they are enrolled. Any changes to tutorial enrolments must be completed officially through e-student. Please do not contact the unit convenor requesting a change.

Fail Rule

This unit is a part of a professional course listed on Schedules 2 and 3 of the Academic Progression Policy. This course has additional requirements that are applicable for the full
duration of the course, including course-specific inherent requirements, Fitness to Practice requirements and other compulsory course requirements. It also has rigorous academic progression standards. Inability to meet these requirements may result in a withdrawal of offer of admission and/or permanent exclusion from the course in accordance with the General Coursework Rules.

5Rs Framework
The 5Rs Framework, developed by the School of Education at Macquarie University, is embedded throughout your teacher education course. Your use of the 5Rs Framework will help you develop the capabilities that will make your teaching career sustainable and fulfilling.

In this unit, you will learn using the 5Rs framework in the following important ways:

Resilient: Students will examine current issues in policy and pedagogy in early childhood education in an integrated way to identify alternative perspectives.

Reflexive: Students will critically review relevant literature when appraising complex policy and pedagogical issues as an educational leader in early childhood settings.

Responsive: Students will refine their professional knowledge and understanding in early childhood pedagogy and policy by applying high order analytical skills.

Ready to learn: Students will prepare for an essay and/or presentation regarding emerging trends in the Early Childhood arena.

Research engaged: Students will investigate complex information, concepts, and theories in order to establish a personal position regarding emerging trends in the early childhood arena.
