Unit description
This unit explores commercially popular fiction and genre fiction in the marketplace today. We begin by analysing the form and features of bestselling novels as well as mass-market genre fiction such as fantasy, science-fiction, suspense/thriller/horror, crime, and romance. We examine how generic forms crossover with each other, and how digital publishing enables the proliferation of hybrid genres and niche subgenres within the popular fiction market. Students learn how to identify different types of research fields that are relevant to their genre of interest, and to integrate this research into their creative writing in practical ways. There will be a particular focus on world-building, characterisation, and the development of character-driven plots.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

**Late Assessment Submission Penalty**

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of ‘0’ (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue. This late penalty will apply to written reports and recordings only. Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs) will be addressed by the unit convenor in a Special consideration application.
