Unit description
This unit will give BPhil students the opportunity to complete a research project as part of a team in an academic or industry setting. The project will be aligned with the host’s strategic research priorities, and both managed and delivered by the student in consultation with their host supervisor. Students will also receive practical information about research careers in academic and non-academic settings and will reflect on what it means to be a researcher in the 21st century. Students must complete 100 hours as an intern in addition to written assessments.

Visit Employability Connect for important information on this unit including required preparation and closing dates for PACE activities.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Apply existing skills and knowledge to solving real-world problems.
ULO2: Demonstrate independent research and synthesis of acquired knowledge and skills.
ULO3: Participate in and contribute effectively to independent and/or team-based...
research.

ULO4: Model best research practice and demonstrate commitment to an ethical, reflective approach in a professional context.

General Assessment Information

DEADLINES

• The deadline for both the Project Management Plan and Reflective Report is 11.55pm Sunday in the week they are due. These assignments must be submitted via the Turnitin links on the FOAR7004 iLearn website.

• For the weekly Participatory task: Students must post a c. 100 word response to the Employability Journal on iLearn (OU Blog forum) by 11:59pm Sunday in Weeks 2-11. Posts submitted by the deadline will automatically receive 1%. Posts made after the deadline will receive zero unless an application for Special Consideration has been approved.

LATE ASSESSMENT SUBMISSION POLICY

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a mark of ‘0’ (zero) will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical issue.

This late penalty will apply to non-timed sensitive assessment (incl essays, reports, posters, portfolios, journals, recordings etc). Late submission of time sensitive tasks (such as tests/exams, performance assessments/presentations, scheduled practical assessments/labs etc) will only be addressed by the unit convenor in a Special consideration application. Special Consideration outcome may result in a new question or topic.

WORD LIMITS

• Assignment word limits DO NOT include footnotes or bibliographies.

• The +/- 10% rule applies for all written assessments.

FINAL MARKS

• Please note with respect to the marks you receive for work during the session: that the marks given are indicative only.

• Final marks will be determined after moderation.

• See further the note on Results in the Policies and Procedures section below.

**Delivery and Resources**

**INTERNSHIPS**

- Students in FOAR7004 must complete an internship of 100 hours working on a research project for either a member of staff in the Faculty of Arts or an external host researcher.
- Everything you do in relation to your internship project can contribute to your hours - i.e., in addition to research tasks, any time spent in meetings with your host, speaking to them on the phone or emailing them all relate to your project and so these can be counted towards your 100 hours.
- **Important**: If any issues or concerns arise during your internship, please contact the convenor (linda.evans@mq.edu.au) and the Arts PACE team (arts.pace@mq.edu.au) immediately.
- No concern is too trivial!

**SEMINAR**

- A one-hour seminar will take place on campus each week for In Person-Scheduled
Students.

- Online-Scheduled students will join the on campus class via Zoom. The Zoom link will be located on the unit iLearn page.

WEEKLY STEPS

- The unit material is delivered in a one-hour seminar every week (except for Week 13), offered on campus for internal students and concurrently via Zoom for Online-Scheduled students.
- Each seminar will consist of a 30-minute overview of the weekly topic followed by discussion and reflection on the ways in which the issues raised affect the conduct of research and the role of researchers.
- Some weeks may also feature a guest or guest panels, either in person in class or via pre-recorded interviews.
- Students will be expected to monitor the FOAR7004 iLearn site regularly.
- Your required steps in most weeks are as follows:
  1. Liaise with and/or carry out work on behalf of your internship host.
  2. Attend the 1-hour seminar on campus or via Zoom.
  3. Complete the Required Reading from the textbook.
  4. Post a response to the Employability Journal forum by 11.59pm Sunday.
  5. Progress your other unit assessments.

TEXTBOOK

- The text for FOAR7004 is Barbara Bassot's, Employability Journal (Palgrave, 2017).
- This book is required to complete the weekly participation task.
- It is available fully online via the Macquarie Library.
- In addition, three physical copies are accessible in the Library (HF5381.6.B388 2017) or you can purchase a copy from Booktopia or another bookseller.
