Unit description
This unit examines the history of Constantinople from its foundation by Constantine the Great in the fourth century to its capture by the Ottoman Turks in the fifteenth century. It focuses on the cultural, ecclesiastical, intellectual, military, art and architectural history of the city, using literary, documentary and archaeological evidence.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Cultivate a deeper appreciation of a range of cultural, social, religious, and political issues when dealing with sources from the past

ULO2: Demonstrate an understanding of the importance of primary and secondary texts and images through analysis, expression, and argument

ULO3: Participate actively in online discussions

General Assessment Information

Late Assessment Penalty

Unless a Special Consideration request has been submitted and approved, (a) a penalty for lateness will apply – 5 marks out of 100 credit will be deducted per day for assignments submitted after the due date – and (b) no assignment will be accepted seven days (incl. weekends) after the original submission deadline. On submitting a Special Consideration request see Policies and Procedures below.

Marks are indicative until final review/moderation after the exam period is finished.

ASSESSMENT TASK 1 WEEKLY ONLINE DISCUSSION

All students will be expected to post at least one (1) response to the Online Discussion forum each week. This posting should be between 100-200 words and it should be in response to the questions posted for that week.

The assessment criteria for this task is based on participation and the quality of your postings.

Grading criteria includes clarity of expression and argument, evidence of independent thought, and the relevance of your response to the questions set by the tutor.

These posts are due at midnight of the Sunday of each tutorial week (i.e. Week 2 is from Monday 26th Feb - Sunday 3rd March, and the online discussion should be made by midnight on Sunday 3rd March). You are welcome to continue posting to the weekly discussion forum after this due date, but any postings made after midnight on Sunday will not be counted for assessment purposes.

You are also welcome to start new discussions each week on topics of interest, but these will not be counted towards this assessment task.

The Online Discussion component is worth 15% of your overall assessment. You will need to post a response to at least 9 of the weekly forums from Weeks 2 to 4 and Weeks 6 to 12 (inclusive). Note that any postings that you make for Week 1, 5 and 13 will not count towards these 9 weekly posts.

ASSESSMENT 2 ANNOTATED BIBLIOGRAPHY

Students will submit an annotated bibliography of 15 (fifteen) references that will be used for the Major Essay (Assessment 3). In a maximum of 1000 words, these references should include brief commentaries which summarise the work and its relevance to the major essay question.

Primary and secondary sources should be included. See weekly bibliographies and the general references in the Delivery and Resources folder below for ideas as to where to start.

ASSESSMENT TASK 3 MAJOR ESSAY

Major Essay Questions

1. Analyse the evidence for Justinian's policy of military and territorial reconquest and discuss the reasons why he would have adopted such a policy. How was it received by reconquered territories in the West?

2. What do you consider to be the main contributing factors to the second period of iconoclasm (813-843CE)? What role did Empress Theodora II play in the 'Triumph of Orthodoxy'?
3. How did the Fourth Crusaders justify their attack on fellow Christians and their looting of churches in Constantinople? Examine both Western and Byzantine accounts of the Fourth Crusade and compare their responses to the removal of holy relics and works of art from the city.
4. Choose three aspects of everyday life in Byzantium and consider the extant evidence to determine what it can tell us about the everyday lives of the Byzantines. Are there any issues with using these sources, and why is the evidence of everyday life less prominent than that of the lives of emperors and saints?
