Unit description

This unit focuses on key aspects of the financial management of an organisation, including the role and responsibility of a senior financial executive and adviser in ensuring accurate reporting and managing and running all financial activities of an organisation. A variety of readings, resources and case studies are used in this unit to develop an understanding of the key issues that a senior financial executive and adviser operating in either the private or public sector will be required to address. Students will apply relevant knowledge and skills, and exercise professional judgement as expected of a senior financial executive and adviser, in taking or recommending decisions relating to the financial management of an organisation.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Evaluate and explain the role and responsibilities of a senior financial executive and adviser and the finance function in an organisation.

**ULO2:** Predict the financial and strategic consequences of potential investment and financing decisions and propose justified recommendations that effectively take these factors into account.

**ULO3:** Analyse the financial and strategic impact of a proposed merger, acquisition or corporate re-organisation.

**ULO4:** Apply and evaluate advanced treasury and risk management techniques.

**ULO5:** Evaluate the role of international financial institutions in the financial management of multinationals including the relevance of the economic environment.

### Class Participation

Assessment Type <sup>1</sup>: Participatory task

Indicative Time on Task <sup>2</sup>: 15 hours

Due: **Weekly**

Weighting: **10%**

Students are required to actively participate in class discussions both individually and in a group context when required.

Prior presentation is necessary for active participation. The participation mark will be a result of attempting to participate, as well as the quality and frequency of that participation. Class participation is designed to encourage and help students achieve the learning outcomes of this unit.

On successful completion you will be able to:

- Evaluate and explain the role and responsibilities of a senior financial executive and adviser and the finance function in an organisation.
- Predict the financial and strategic consequences of potential investment and financing decisions and propose justified recommendations that effectively take these factors into account.

- Analyse the financial and strategic impact of a proposed merger, acquisition or corporate re-organisation.
- Apply and evaluate advanced treasury and risk management techniques.

## Class Test 1

Assessment Type <sup>1</sup>: Quiz/Test

Indicative Time on Task <sup>2</sup>: 15 hours

Due: **Week 5**

Weighting: **20%**

An online class test will be conducted on-campus in computer labs.

This test is designed to provide feedback to students on their level of understanding of key topics and concepts covered and to identify any particular learning challenges or areas of difficulty.

On successful completion you will be able to:

- Evaluate and explain the role and responsibilities of a senior financial executive and adviser and the finance function in an organisation.
- Predict the financial and strategic consequences of potential investment and financing decisions and propose justified recommendations that effectively take these factors into account.
- Analyse the financial and strategic impact of a proposed merger, acquisition or corporate re-organisation.
- Apply and evaluate advanced treasury and risk management techniques.

## Class Test 2

Assessment Type <sup>1</sup>: Quiz/Test

Indicative Time on Task <sup>2</sup>: 20 hours

Due: **Week 9**

Weighting: **20%**

An online class test will be conducted on-campus in computer labs.

This test is designed to provide feedback to students on their level of understanding of key topics and concepts covered and to identify any particular learning challenges or areas of difficulty.

On successful completion you will be able to:

- Evaluate and explain the role and responsibilities of a senior financial executive and adviser and the finance function in an organisation.
- Predict the financial and strategic consequences of potential investment and financing decisions and propose justified recommendations that effectively take these factors into account.

## Business Report

Assessment Type <sup>1</sup>: Report

Indicative Time on Task <sup>2</sup>: 20 hours

Due: **Week 13**

Weighting: **20%**

Students will write a 1,500-word report (worth 10%) and each student will give a 5-minute presentation (worth 10%) outlining their findings and recommendations. The focus of the task will be to identify the key financial risk of a (public listed) company allocated to the team. The team will need to propose methods to manage the risks and identify suitable benchmarks to measure Treasury's performance.

On successful completion you will be able to:

- Evaluate and explain the role and responsibilities of a senior financial executive and adviser and the finance function in an organisation.
- Predict the financial and strategic consequences of potential investment and financing decisions and propose justified recommendations that effectively take these factors into account.
- Analyse the financial and strategic impact of a proposed merger, acquisition or corporate re-organisation.
- Apply and evaluate advanced treasury and risk management techniques.

## Final Examination

Assessment Type <sup>1</sup>: Examination

Indicative Time on Task <sup>2</sup>: 20 hours

Due: **Exam Period**

Weighting: **30%**

An online computer exam, mirroring the ACCA exam conditions and length will be conducted on-

campus during class time.

This exam is designed to provide feedback to students on their level of understanding of key topics and concepts covered and to identify any particular learning challenges or areas of difficulty.

On successful completion you will be able to:

- Evaluate and explain the role and responsibilities of a senior financial executive and adviser and the finance function in an organisation.
