Unit description
This unit requires students to apply relevant knowledge and skills, and to exercise professional judgement in selecting and applying strategic management accounting techniques in different business contexts and to contribute to the planning, control and evaluation of the performance of an organisation, and to its strategic and operational development.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Use strategic planning and control models to plan and monitor organisational performance.

ULO2: Apply skills to assess the impact of risk and uncertainty on organisational performance.

ULO3: Identify and evaluate the design features of effective performance management information and monitoring systems, and recognise the impact of developments in technology on performance measurement and management systems.
ULO4: Apply appropriate strategic performance measurement techniques in evaluating and improving organisational performance.

General Assessment Information

Late Assessment Submission Penalty Unless an application for Special Consideration has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern. For any late submissions of time-sensitive tasks, such as scheduled tests, exams, performance assessments, and/or scheduled practical assessments/ labs, students need to submit an application for Special Consideration.

Due: 03/04/2024
Weighting: 20%

During the first part of the session a test will be held, based on past ACCA exam questions and covering the class materials in the lead up to the test. The test is designed to give feedback to the understanding of key topics and concepts of topics covered and to identify any particular learning challenges or areas of difficulty prior to the final examination.

On successful completion you will be able to:
- Use strategic planning and control models to plan and monitor organisational performance.
- Apply skills to assess the impact of risk and uncertainty on organisational performance.
Class Test 2

Assessment Type 1: Quiz/Test
Indicative Time on Task 2: 18 hours
Due: 15/05/2024
Weighting: 20%

During the second part of the session a second test will be held, based on past ACCA exam questions and covering the class materials in the lead up to the test. The test is designed to give feedback to the understanding of key topics and concepts of topics covered and to identify any particular learning challenges or areas of difficulty prior to the final examination.

On successful completion you will be able to:

• Use strategic planning and control models to plan and monitor organisational performance.
• Apply skills to assess the impact of risk and uncertainty on organisational performance.
• Identify and evaluate the design features of effective performance management information and monitoring systems, and recognise the impact of developments in technology on performance measurement and management systems.

Final Examination

Assessment Type 1: Examination
Indicative Time on Task 2: 30 hours
Due: TBD
Weighting: 60%

A two-hour examination will be held during the University Examination period.

On successful completion you will be able to:

• Use strategic planning and control models to plan and monitor organisational performance.
• Apply skills to assess the impact of risk and uncertainty on organisational performance.
• Identify and evaluate the design features of effective performance management information and monitoring systems, and recognise the impact of developments in technology on performance measurement and management systems.
Apply appropriate strategic performance measurement techniques in evaluating and improving organisational performance.

1 If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the Writing Centre for academic skills support.

2 Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

**Delivery and Resources**

**Classes:** Students are required to attend thirteen 3-hour lectures on campus. The timetable for classes is on the University website at https://timetables.mq.edu.au/2023/Reports/List.aspx.
