To be eligible to pass the unit, it is necessary to:

Gain the necessary knowledge by preparing fully and attending classes regularly and attempting **ALL** assessment components.

**Obtain at least a PASS assessment in the CPA external examination.** Note that if you do NOT pass the CPA exam, you cannot attain a pass in this Unit in this Session.

If a student passes the MQ component but fails the external CPA exam, an Incomplete grade (UL) will be given. The student must re enrol in the failed subject with CPA Australia in the following session. If the student does not sit for the CPA exam in the following session, the UL grade will change to a F grade.

If a student deferred the CPA Exam in the session enrolled with MQ, the student must inform the MQBS Student Services by submitting an AskMQ inquiry so the grade can remain as UL for a session. The student will need to sit for the CPA exam in the following session and based on the CPA exam result, the grade will be finalised.

If a student has failed the same external CPA exam twice, the MQ Incomplete grade will be changed to a Fail grade, and the student will need to re enrol with MQ and CPA Australia in the following session.

The UL grade will only be kept for one session.
