**Unit description**

This unit addresses the practical application of financial evaluation and appraisal techniques commonly used by firms and by investors. A primary focus is the optimisation of value creation by the firm as it undertakes corporate finance activities. Within this context, the unit addresses the various capital requirements of the firm as it progresses through the corporate development life cycle as an enterprise. The unit builds on prior knowledge of key corporate finance concepts with progression involving more detail, increased complexity and an emphasis on practical applications within financial markets.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at [https://www.mq.edu.au/study/calendar-of-dates](https://www.mq.edu.au/study/calendar-of-dates)

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Examine and assess the practical application of financial models and methods
commonly used by firms and by financial markets for the purpose of taking investment and capital management decisions.

ULO2: Critically assess the role and importance of value creation to the firm and its stakeholders as evidenced in financial markets.
ULO3: Effectively collate and communicate the quantitative and qualitative aspects of information used to support investment and capital management decisions.
ULO4: Reflect on how to effectively manage a multidisciplinary team as it addresses the diverse needs of various stakeholders including the client firm and financial market participants.

General Assessment Information

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for Special Consideration.
