Unit description This unit examines international trade both in theory and practice. It aims to provide students with an understanding of major trade issues around the world and the effects of globalisation on international trade in general. The unit is taught in two parts. Firstly, it reviews theories related to inter- and intra-industry trade and the relevant empirical evidence. Secondly, the unit discusses trade policies, covering a wide range of topics, illustrated by theories as well as historical and contemporary data and cases.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Distinguish between major trade theories and policy measures.

ULO2: Apply trade concepts and theories to trade-related issues and evaluate their impact on stakeholders.

ULO3: Evaluate the impact of trade-related issues with a specific focus on the trade-offs between efficiency and equity.

General Assessment Information

Note that **the presentation assignment needs to be completed individually.** Group

collaboration is only allowed in the forms of discussion and exchange of ideas.

Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern. For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).

Delivery and Resources

Each week, there will be a up to 2-hour long seminar covering weekly teaching materials held face to face. Starting in Week 2, we will also discuss questions regarding the lecture topics from the previous week. In preparation, students are required to read each week's reading material and watch the recorded lecture videos. Selected students will discuss these questions and submit their discussion results on iLearn. Answers to these questions will be available in the following week. There may be additional readings in order to assist students in discussing these questions.

Unit iLearn

Material for the unit, such as seminar zoom recordings and slides, will be available to students on the unit iLearn site at <http://ilearn.mq.edu.au>. Students are strongly encouraged to check the unit iLearn page weekly for announcements as well as the unit schedule, additional readings, assessment information, and discussion questions and answers.
