In this unit, you will learn using the 5Rs framework in the following important ways:

- Resilient: Assessment Task feedback aims to focus on the development of academic skills including critical thinking and using feedback to improve performance.
- Reflexive: Workshop activities provide opportunities for students to reflect on their own strengths and skills and to show how they can adapt to meet the learning needs of their students. Assessment Task 2 requires a pedagogical reflection.
- Research Engaged: Assessment Task 1 requires a literature review. The literature review provides the scholarly base for completing Assessment Task 2.
