Unit description
Faced with complex and ambiguous environments, how do leaders envision the future and instill their vision in a way that conveys its meaningfulness and drives change and innovation? This unit addresses this challenge using the lenses of leadership, vision and identity. Drawing on theories such as internal marketing, the unit explores how students, as leaders, can create a compelling vision and understand how to communicate with impact and meaning. Students will also understand how to build personal power to exert influence and how to harness the transformative power of social identity to sustain commitment to the vision. Special attention will be given to the role of identity in leading across cultures and borders. In exploring these concepts, the unit will also build an understanding of how storytelling can engage and influence people beyond traditional approaches to communication. This unit will also explore the role of brands and visual identity in organisational success. Students will develop awareness of brand identity and the role of brand in clarifying and reinforcing the vision, both within the organisation, and for partners and customers.

### General Assessment Information

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for **Special Consideration**.

### Special Consideration

To request an extension on the due date/time for a timed or non-timed assessment task, you must submit a Special Consideration application. An application for Special Consideration does not guarantee approval.

The approved extension date for a student becomes the new due date for that student. The late submission penalties above then apply as of the new due date.

### Word limits

Anything beyond a stated assessment word limit (other than your reference list) may not be marked. Seek any further clarification from the unit convenor.
