Unit description This unit enables students to understand and analyse the powerful discourse of strategic management, drawing upon research across the fields of management, organisation studies, and strategy to examine the discipline. Strategic management is addressed in terms of its economic, social, political, and ethical effects in today's organisational world. Specifically, the unit aims to develop a capacity to think strategically about an organisation and its macro environment, industry environment, and competitive position.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

- ULO1:** Critically assess the nature of strategic management concepts and theories.
- ULO2:** Identify and analyse strategic issues in a management context.
- ULO3:** Apply tools of strategic management to address contemporary management issues and challenges.

General Assessment Information

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A

1-hour grace period is provided to students who experience a technical concern. For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to apply for Special Consideration.
