Unit description
Today, the competitive business world needs people who can bridge the gap between theory and practice. Businesses need marketers who can integrate their knowledge and consolidate their skills essential in designing and implementing marketing research projects to understand market behavior and develop useful marketing strategies. This unit develops students’ ability to apply marketing theory to practice through solving a marketing problem for a Client Partner. This unit focuses on identifying factors which influence the competitive positioning of a firm within an industry and to achieve an ethical, socially responsible, and sustainable competitive advantage.

Visit Employability Connect for important information on this unit.

Important Academic Dates
Information about important academic dates including deadlines for withdrawing from units are available at https://www.mq.edu.au/study/calendar-of-dates

Learning Outcomes
On successful completion of this unit, you will be able to:

ULO1: Identify factors that influence the competitive position of a firm.
ULO2: Synthesise a range of perspectives on marketing strategies in practice to independently and collaboratively identify and effectively communicate potential solution/s.
ULO3: Reflect on team processes that enable industry analysis, assessment of marketing opportunities and the development of potential solution/s.
ULO4: Reflect on ethical considerations in marketing contexts.

General Assessment Information
Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to apply for Special Consideration.
