Unit description

This unit focuses on singing, song, composition and musical arrangement in a range of styles. It aims to facilitate critical listening and singing through the exploration of vocal stylistic nuances and musically arranging for voice. Creative approaches to repertoire and songwriting are introduced. Students research songs and musical styles/genres and are encouraged to pursue specific interests such as Blues, Jazz, Musical Theatre, Country, Pop and Rock. The unit fosters the development of creative, interpretive, performative and analytical skills appropriate to a variety of contemporary music genres. Original songs may also be explored. ## Return of marked work

Work will be marked and returned with feedback in order for students to incorporate feedback in subsequent assessments.

### Late Assessment Submission Penalty

Unless a Special Consideration request has been submitted and approved, **a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted**, up until the 7th day (including weekends).
