Unit description

The MBA Capstone unit is designed to challenge and develop your skills and practice in communication, teamwork, decision-making, strategic thinking, innovation, and leadership. These skills are developed and integrated through industry and business-applied project work. You will receive mentoring from faculty staff as you identify and build innovative and viable business proposals and solutions. The integrated nature of this unit will test and develop your management and leadership skills, as well as your ability to synthesise the knowledge and skills you have gained from the business disciplines addressed in the MBA.

## Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

## Learning Outcomes

On successful completion of this unit, you will be able to:

**ULO1:** Synthesise and apply the knowledge and skills from a range of disciplines addressed in the MBA to industry and business.

**ULO2:** Apply professional communication and interpersonal skills to collaborate effectively with others in developing and presenting solutions to complex business issues.

**ULO3:** Research and critically analyse complex industry and business issues to develop a business proposal and recommendations for an innovative and viable business solution.

**ULO4:** Effectively integrate the body of knowledge and skill sets that underpin professional practice.

## General Assessment Information

### Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for [Special Consideration](#).
