### Unit description

This unit examines economic analysis concepts and tools that enable students to set an organisation’s decision-making within its wider economic context. Topics include supply, demand, and market equilibrium; scarcity; exchange and trade; choice theory; theory of the firm; game theory and strategy; market structure; asymmetric information; market failures. The unit looks at economic variables and how rises and falls in these variables affect individuals, businesses, and industries. It also teaches students how to apply experimentation in organisations.

## Important Academic Dates

On successful completion of this unit, you will be able to:

- **ULO1**: Evaluate a wide array of economic frameworks and information to formulate business decisions.
- **ULO2**: Develop a strategy for efficient allocation of scarce resources.
- **ULO3**: Critically reflect on how changes in economic conditions affect individual businesses and industries.
# General Assessment Information

## Late Assessment Submission Penalty (written assessments)

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the 7th day (including weekends). After the 7th day, a grade of ‘0’ will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern.

For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to submit an application for **Special Consideration**.
