Unit description

This unit will explore the concepts of strategy and innovation as a business tool for leaders and entrepreneurs. Students will learn about the value of strategy in business, how it relates to innovation and why it plays an important role in organisations today. This unit will equip students with capabilities for effectively engaging others in both innovative and strategic thinking, that would contribute positively to the organisation.

Important Academic Dates

Information about important academic dates including deadlines for withdrawing from units are available at <https://www.mq.edu.au/study/calendar-of-dates>

Learning Outcomes

On successful completion of this unit, you will be able to:

ULO1: Explain and apply key terms, concepts, frameworks and theories for strategy and innovation.

ULO2: Analyse the strategies for spurring, managing and enhancing innovation to solve problems.

ULO3: Employ a range of strategies to communicate creative solutions to business and societal problems.

General Assessment Information

Unless a Special Consideration request has been submitted and approved, a 5% penalty (of the total possible mark) will be applied each day a written assessment is not submitted, up until the

7th day (including weekends). After the 7th day, a grade of '0' will be awarded even if the assessment is submitted. Submission time for all written assessments is set at 11.55pm. A 1-hour grace period is provided to students who experience a technical concern. For any late submissions of time-sensitive tasks, such as scheduled tests/exams, performance assessments/presentations, and/or scheduled practical assessments/labs, students need to apply for Special Consideration.

Assessment Tasks

Name	Weighting	Hurdle	Due
<u>Innovation Project</u>	40%	No	Week 4 and 6
<u>Strategy Project</u>	30%	No	Week 11
<u>Reflection</u>	30%	No	Week 13

Innovation Project

Assessment Type ¹: Project

Indicative Time on Task ²: 40 hours

Due: **Week 4 and 6**

Weighting: **40%**

Student will develop a submission that will centre around possible solutions that could solve a contemporary issue. These solutions could be either business or philanthropic in origin, but most importantly they must be unique! The student will present this project in any visual form suitable to the solution chosen.

On successful completion you will be able to:

- Analyse the strategies for spurring, managing and enhancing innovation to solve problems.
- Employ a range of strategies to communicate creative solutions to business and societal problems.

Strategy Project

Assessment Type ¹: Project

Indicative Time on Task ²: 30 hours

Due: **Week 11**

Weighting: **30%**

In groups of 4-5, students will undertake an agreed innovative group project. The project will centre on a range of issues which will be entrepreneurial, business and/or leadership focused. These issues will be discussed in the tutorial workshops.

On successful completion you will be able to:

- Explain and apply key terms, concepts, frameworks and theories for strategy and innovation.
- Analyse the strategies for spurring, managing and enhancing innovation to solve problems.

Reflection

Assessment Type ¹: Reflective Writing

Indicative Time on Task ²: 20 hours

Due: **Week 13**

Weighting: **30%**

Students will write an up to 2,000 word reflection.

On successful completion you will be able to:

- Explain and apply key terms, concepts, frameworks and theories for strategy and innovation.
- Employ a range of strategies to communicate creative solutions to business and societal problems.

¹ If you need help with your assignment, please contact:

- the academic teaching staff in your unit for guidance in understanding or completing this type of assessment
- the [Writing Centre](#) for academic skills support.

² Indicative time-on-task is an estimate of the time required for completion of the assessment task and is subject to individual variation

Delivery and Resources
